FOOTNOTES -- The following statements are referenced to the numbered footnotes throughout section 2.

109 Department of Public Safety, Executive Director's Office, Administration, Health, Life, and Dental -- The General Fund appropriation includes a decrease of \$2,064,868 that is equal to 5.0 percent of the General Fund portion of estimated base salary for the Department. The reduction in this General Fund appropriation is in lieu of a 5.0 percent personal services base reduction and provides the Department with increased flexibility to absorb the reduction and engage in more considered targeted reductions across all department divisions and programs. This reduction is not intended to reduce the Health, Life, and Dental benefit provided to state employees. It is the General Assembly's intent that Health, Life, and Dental costs for employees, as approved in budget actions, be fully paid within personal services appropriations augmented by Department allocations from central benefits appropriations.

109a Department of Public Safety, Division of Fire Prevention and Control, Aviation Resources -- This appropriation remains available for expenditure until the close of the 2021-22 state fiscal year.

1 111	Department of Public Safety, Division of Criminal Justice, Community Corrections, Correctional Treatment Cash Fund Residential Placements -- This						
2	appropriation includes funding for 48 condition-of-probation placements at rates corresponding to those in footnote 110.						
3							
4 112	Department of Public Safety, Division of Criminal Justice, Community Corrections, Community Corrections Facility Payments -- The amount of the						
5	appropriation assumes that the Department will make lower facility payments to programs that have lower costs due to case management staffing shortfalls						
6	or security and case management salary shortfalls relative to the staffing and salary model upon which the appropriation is based. Because per diem rates are						
7	unchanged for FY 2020-21, these appropriations further assume that salary and staffing levels deemed adequate for FY 2019-20 will be deemed adequate						
8	for FY 2020-21 and that community corrections facilities with an average of 32 or more security FTE will receive a second facility payment.
