HOUSE  
Amended 2nd Reading  
May 4, 2021

Between September 1, 2021, and September 1, 2022, a store may furnish a recycled paper carryout bag or a single-use plastic carryout bag to a customer at the point of sale if the customer pays a fee of 10 cents per bag or a higher fee adopted by the municipality or county in which the store is located.

On and after September 1, 2022, a store may furnish only a recycled paper carryout bag to a customer at the point of sale at a fee of 10 cents per bag or a higher fee imposed by the municipality or county in which the store is located.

A store is required to remit, on a quarterly basis beginning January 1, 2022, 60% of the carryout bag fee revenues to the municipality or county within which the store is located and may retain the remaining 40% of the carryout bag fee revenues. A municipality or county may use its portion of the carryout bag fee revenues to pay for its administrative and enforcement costs and any recycling, composting, or other waste diversion programs or related outreach or education activities.

The carryout bag fee does not apply to a customer that provides evidence to the store that the customer is a participant in a federal or state food assistance program.

Section 2 also prohibits a retail food establishment, on and after January 1, 2022, from distributing an expanded polystyrene product for use as a container for ready-to-eat food in this state. The prohibition does not apply to retail food establishments located within certain schools until January 1, 2023; except that the prohibition does not apply to a high school until January 1, 2024.

Retail food establishments that purchase expanded polystyrene products before January 1, 2022, may continue to use the products until their supply is depleted.

Section 2 also authorizes a local government to enforce against a violation of section 2 and expressly authorizes a county to impose a civil penalty against a store or retail food establishment of \$500 for a second violation or \$1,000 for a third or subsequent violation.

On and after July 1, 2023, a local government may enact, implement, or enforce an ordinance, resolution, rule, or charter provision that is as stringent as or more stringent than the requirements set forth in the bill.
