HOUSE  
Amended 2nd Reading  
April 26, 2021

Current law requires each school district and charter school to adopt a safe school plan that includes:

- A conduct and discipline code with a specific policy concerning bullying prevention and education (bullying policy). The bill requires the bullying policy to incorporate the approaches, policies, and practices outlined in the model policy.
- Safe school reporting requirements that include the number of conduct and discipline code violations relating to a school activity or sanctioned event that is detrimental to the welfare or safety of other students or of school personnel, including incidents of bullying. The bill requires incidents of bullying be listed as a separate type of violation.

The bill specifies bullying as a behavior that may be grounds for suspension or expulsion of a student from public school.
