Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

The bill appropriates money to the department of human services (department) in order to seek a 50% match from the federal government
for the Colorado employment first program within the supplemental assistance nutrition program. The bill requires the department to direct county departments and any third-party partners to prioritize any state or federal money received to fund employment support and job retention services and to support work-based learning opportunities for Colorado employment first participants. Any remaining money may be used to initiate and enhance current and additional state- or county-initiated third-party partnerships.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. In Colorado Revised Statutes, add 26-2-307 as follows:

26-2-307. Colorado employment first - supplemental nutrition assistance program - federal match - legislative declaration - definition - repeal. (1) (a) The general assembly finds that:

(I) The COVID-19 pandemic that spread through Colorado beginning in February 2020 has led to extensive job loss throughout the state;

(II) Persistent unemployment and loss of income as a result of the COVID-19 pandemic has led many Coloradans to rely on critical public assistance benefits, such as the supplemental nutrition assistance program, which helps struggling families pay for food;

(III) In addition to providing essential emergency food assistance for Coloradans and their families, the supplemental nutrition assistance program also includes resources dedicated to employment, education, and training services, known as the Colorado employment first program; and

(IV) The Colorado employment first program promotes long-term self-sufficiency and independence by preparing
SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM PARTICIPANTS FOR
MEANINGFUL EMPLOYMENT THROUGH WORK-RELATED EDUCATION AND
TRAINING ACTIVITIES.

(b) Therefore, the General Assembly declares that
investing state dollars into the Colorado employment first
program will enhance the program’s ability to help
supplemental nutrition assistance program participants achieve
economic self-sufficiency by drawing down a fifty percent
federal match for the supplemental nutrition assistance
program, which is a flexible source of support for workforce
development services.

(2) As used in this section, unless the context otherwise
requires, "Colorado employment first" means the employment
and training program within the supplemental nutrition
assistance program.

(3) (a) The state department shall direct county
departments and any third-party partners to prioritize the
money appropriated pursuant to subsection (4) of this section
and the federal match to fund employment support and job
retention services, as those services are described in section
8-83-404 (5)(b), and to support work-based learning opportunities
for Colorado employment first participants.

(b) Any remaining money may be used to initiate and
enhance current and additional state- or county-initiated
third-party partnerships, which must include allowing
third-party partners to receive and use state money and any
money received through the federal match in order to provide
COLORADO EMPLOYMENT FIRST SERVICES TO PARTICIPANTS.

(c) The state department, county departments, or any third-party contractor that receives state or federal money pursuant to this section may use up to ten percent of the money for administrative costs incurred implementing this section.

(4) For the 2020-21 state fiscal year, the general assembly shall appropriate three million dollars from the general fund to the state department for the purposes described in subsection (3) of this section. If any unexpended or unencumbered money appropriated for the fiscal year remains at the end of the fiscal year, the state department may expend the money for the same purposes in the next fiscal year without further appropriation.

(5) This section is repealed, effective July 1, 2023.

SECTION 2. Appropriation. (1) For the 2021-22 state fiscal year, $3,000,000 is appropriated to the department of human services for use by the office of self sufficiency. This appropriation is from the general fund. To implement this act, the office may use this appropriation for food stamp job search units program costs. Any money appropriated in this section not expended prior to July 1, 2021, is further appropriated to the office for the 2021-22 state fiscal year for the same purpose.

(2) For the 2021-22 state fiscal year, the general assembly anticipates that the department of human services will receive $3,000,000 in federal funds for the office of self sufficiency to implement this act. The appropriation in subsection (1) of this section is based on the assumption that the department will receive this amount of federal funds, which is subject to the "(l)" notation as defined in the annual general
SECTION 3. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, or safety.
