A BILL FOR AN ACT

CONCERNING THE EXTENSION OF THE DEADLINE FOR THE EXPENDITURE OF MONEY FROM THE CARE SUBFUND IN THE GENERAL FUND THAT CORRESPONDS TO THE EXTENSION FOR ALLOWABLE STATE EXPENDITURES FROM THE FEDERAL CORONAVIRUS RELIEF FUND.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

In 2020, the state received money from the federal coronavirus relief fund for the state to use for necessary expenditures incurred due to
the public health emergency with respect to the COVID-19 pandemic that were incurred prior to December 30, 2020, and $70 million of those federal funds were deposited in the care subfund and allocated through legislation enacted in 2020. In conformity with federal law, all of the agencies that received this money were required to use the money on or before December 30, 2020. Subsequent federal legislation extended the expenditure deadline for incurring these expenditures to December 31, 2021.

In light of the federal extension, the bill extends expenditure or appropriation deadlines for the following programs for which the departments have not yet expended all of their appropriation from the care subfund:

- Eviction legal assistance; (Sections 2 and 7 of the bill)
- Human services referral services; (Sections 5 and 8)
- Low-income energy assistance; (Section 6)
- Behavioral health services; (Section 9)
- Immunization operating expenses; and (Section 10)
- Local public health agencies in rural areas. (Section 10)

In some cases, related program repeal deadlines are also extended. Section 3 extends the exclusion of the care subfund expenditures from the calculation of the general fund reserve. Section 4 delays a transfer of any unused money from the care subfund to the unemployment compensation fund from December 30, 2020, to December 31, 2021.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:

(a) In response to the COVID-19 pandemic Congress enacted the "Coronavirus Aid, Relief, and Economic Security Act", Pub.L. 116-136, also referred to as the "CARES Act", to provide emergency assistance to state, local, and tribal governments;

(b) The CARES Act established the coronavirus relief fund (CRF) and appropriated $150 billion to the CRF for distribution, in part, to the states to cover costs that:

(I) Are necessary expenditures incurred due to the public health emergency with respect to the COVID-19 pandemic;
(II) Were not accounted for in the budget most recently approved as of March 27, 2020, for the state; and

(III) Were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020;

(c) Approximately $1.674 billion was transferred from the CRF to Colorado's state government and, in his executive order D 2020 070, dated May 18, 2020, the governor directed the state treasurer to transfer $70 million of that money to the general fund for disbursement by the general assembly;

(d) The $70 million was set aside in the care subfund in the general fund, in order to keep it segregated from other money in the general fund;

(e) During the 2020 regular legislative session, the general assembly appropriated money from the care subfund for a number of vital programs to address the effects of the COVID-19 pandemic in several bills;

(f) The programs and appropriations in these bills all complied with the requirements in the CARES Act, including the requirement that the money cover costs that were incurred on or before December 30, 2020;

(g) The federal "Consolidated Appropriations Act, 2021", extends the time period during which states can incur expenses from the CRF from December 30, 2020, to December 31, 2021;

(h) In executive order D 2020 294, dated December 30, 2020, the governor extended the December 30, 2020, deadline to allow the continuation of the bills that appropriated money from the care subfund, and he subsequently extended the deadlines through additional executive
orders; and

(i) While some departments have been able to expend all of the money appropriated from the care subfund, others have not, and, therefore, those programs should be extended to conform to the new federal deadline for the state to use this money.

SECTION 2. In Colorado Revised Statutes, 13-40-127, amend (7)(a) and (7)(c) as follows:

13-40-127. Eviction legal assistance - fund - rules - report - definitions - repeal. (7) (a) The state treasurer shall transfer three hundred fifty thousand dollars from the care subfund in the general fund to the eviction legal defense fund for the purpose of providing legal representation to indigent tenants to resolve civil legal matters arising on and after March 1, 2020, for an eviction or impending eviction related to the public health emergency caused by the COVID-19 pandemic. The money transferred to the fund pursuant to this subsection (7)(a) shall be maintained in a separate account and used only for the purposes specified in this subsection (7)(a). The general assembly shall appropriate the money transferred to the fund pursuant to this subsection (7)(a) to the administrator for use in accordance with this subsection (7)(a). money that originated from the care subfund in another cash fund, then
the state treasurer shall transfer the unexpended amount from the cash
fund to the subfund prior to the transfer required in subsection (4)(a) of
this section.

100a Department of Public Health and Environment, Administration and Support, Office of Planning, Partnerships, and Improvement, Distributions to Local Public Health Agencies - Coronavirus Relief Funds -- This appropriation only remains available for expenditure through December 30, 2020.

It is the General Assembly's intent that these dollars be distributed to local public health agencies in rural areas, which face additional and unique challenges in responding to the public health emergency due to a smaller workforce and public health infrastructure. The General Assembly further finds and declares that the amount appropriated is for costs that are necessary expenditures incurred due to the COVID-19 public health emergency and that were not accounted for in the budget most recently approved as of March 27, 2020.
