the public health emergency with respect to the COVID-19 pandemic that were incurred prior to December 30, 2020, and \$70 million of those federal funds were deposited in the care subfund and allocated through legislation enacted in 2020. In conformity with federal law, all of the agencies that received this money were required to use the money on or before December 30, 2020. Subsequent federal legislation extended the expenditure deadline for incurring these expenditures to December 31, 2021.

In light of the federal extension, the bill extends expenditure or appropriation deadlines for the following programs for which the departments have not yet expended all of their appropriation from the care subfund:

- Eviction legal assistance; (**Sections 2 and 7** of the bill)
- Human services referral services; (**Sections 5 and 8**)
- Low-income energy assistance; (**Section 6**)
- Behavioral health services; (**Section 9**)
- Immunization operating expenses; and (**Section 10**)
- Local public health agencies in rural areas. (**Section 10**)

In some cases, related program repeal deadlines are also extended.

Section 3 extends the exclusion of the care subfund expenditures from the calculation of the general fund reserve. **Section 4** delays a transfer of any unused money from the care subfund to the unemployment compensation fund from December 30, 2020, to December 31, 2021.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds and declares that:

4 (a) In response to the COVID-19 pandemic Congress enacted the
5 "Coronavirus Aid, Relief, and Economic Security Act", Pub.L. 116-136,
6 also referred to as the "CARES Act", to provide emergency assistance to
7 state, local, and tribal governments;

8 (b) The CARES Act established the coronavirus relief fund (CRF)
9 and appropriated \$150 billion to the CRF for distribution, in part, to the
10 states to cover costs that:

11 (I) Are necessary expenditures incurred due to the public health
12 emergency with respect to the COVID-19 pandemic;

1 (II) Were not accounted for in the budget most recently approved
2 as of March 27, 2020, for the state; and

3 (III) Were incurred during the period that begins on March 1,
4 2020, and ends on December 30, 2020;

5 (c) Approximately \$1.674 billion was transferred from the CRF
6 to Colorado's state government and, in his executive order D 2020 070,
7 dated May 18, 2020, the governor directed the state treasurer to transfer
8 \$70 million of that money to the general fund for disbursement by the
9 general assembly;

10 (d) The \$70 million was set aside in the care subfund in the
11 general fund, in order to keep it segregated from other money in the
12 general fund;

13 (e) During the 2020 regular legislative session, the general
14 assembly appropriated money from the care subfund for a number of vital
15 programs to address the effects of the COVID-19 pandemic in several
16 bills;

17 (f) The programs and appropriations in these bills all complied
18 with the requirements in the CARES Act, including the requirement that
19 the money cover costs that were incurred on or before December 30,
20 2020;

21 (g) The federal "Consolidated Appropriations Act, 2021", extends
22 the time period during which states can incur expenses from the CRF
23 from December 30, 2020, to December 31, 2021;

24 (h) In executive order D 2020 294, dated December 30, 2020, the
25 governor extended the December 30, 2020, deadline to allow the
26 continuation of the bills that appropriated money from the care subfund,
27 and he subsequently extended the deadlines through additional executive

1 orders; and

2 (i) While some departments have been able to expend all of the
3 money appropriated from the care subfund, others have not, and,
4 therefore, those programs should be extended to conform to the new
5 federal deadline for the state to use this money.

6 **SECTION 2.** In Colorado Revised Statutes, 13-40-127, **amend**
7 (7)(a) and (7)(c) as follows:

13 and after March 1, 2020, for an eviction or impending eviction related to
14 the public health emergency caused by the COVID-19 pandemic. The
15 money transferred to the fund pursuant to this subsection (7)(a) shall be
16 maintained in a separate account and used only for the purposes specified
17 in this subsection (7)(a). The general assembly shall appropriate the
