22 licensed or certified hospitals, referred to in this section as "hospitals", for

9 **SECTION 4. Appropriation.** (1) For the 2021-22 state fiscal
10 year, \$1,522,875 is appropriated to the department of health care policy
11 and financing. This appropriation consists of \$335,723 from the
12 healthcare affordability and sustainability fee cash fund created in section
13 25.5-4-402.4 (5)(a), C.R.S., and \$1,187,152 from the adult dental fund
14 created in section 25.5-5-207 (4)(a), C.R.S. To implement this act, the
15 department may use this appropriation for medical and long-term care
16 services for medicaid-eligible individuals.

17 (2) For the 2021-22 state fiscal year, the general assembly
18 anticipates that the department of health care policy and financing will
19 receive \$4,042,125 in federal funds for medical and long-term care
20 services for medicaid-eligible individuals to implement this act. The
21 appropriation in subsection (1) of this section is based on the assumption
22 that the department will receive this amount of federal funds.

23 **SECTION 5. Safety clause.** The general assembly hereby finds,
24 determines, and declares that this act is necessary for the immediate
25 preservation of the public peace, health, or safety.
