CONCERNING THE RECOGNITION AND REMEMBRANCE OF
MILITARY VETERANS IN COLORADO WHO SERVED IN THE
VIETNAM WAR.

WHEREAS, United States military involvement in the Vietnam War began in the Republic of South Vietnam in the 1950s and continued until 1975, involving North Vietnamese regular forces and Viet Cong guerrilla forces in armed conflict with United States Armed Forces and the Army of the Republic of Vietnam; and

WHEREAS, During this period, more than 2,700,000 American soldiers, both volunteers and draftees, served tours of duty in Vietnam, with a total of more than 9,000,000 active duty military personnel, in what was an extremely long, difficult, and complex war; and

WHEREAS, More than 58,220 members of the United States Armed Forces, including 623 Coloradans, lost their lives in Vietnam, and more than 300,000 members of the United States Armed Forces were wounded;

and

WHEREAS, In addition, more than 2,500 members of the United States Armed Forces were listed as prisoners of war (POWs) or missing in action, including 41 Coloradans, 24 of whom remain unaccounted for; and

WHEREAS, According to the Denver Regional Office of the federal Department of Veterans Affairs, as of 2014, an estimated 7,000,000 members of the United States Armed Forces who served their country during the Vietnam era are still alive today, including more than 120,000 Coloradans; and

WHEREAS, On January 27, 1973, the Paris Peace Accords were signed, which required the release of all United States POWs held in North Vietnam and the withdrawal of all United States Armed Forces from South Vietnam; and

WHEREAS, The United States Armed Forces completed the withdrawal of combat units and combat support units from South Vietnam by March 30, 1973; and

WHEREAS, On April 30, 1975, North Vietnamese regular forces captured Saigon, the capital of South Vietnam, marking the official end of the Vietnam War; and

WHEREAS, As American military personnel completed their tours of duty in Vietnam, they returned home to a citizenry that was divided in its opinions of that conflict, and many people failed to distinguish their political and philosophical viewpoints toward the war from the individuals who had served; and

WHEREAS, In the intervening decades, our citizenry has come to understand more clearly the importance of recognizing and respecting the service of military veterans, regardless of any other opinions or issues; and

WHEREAS, The need for a formal recognition of the return of veterans from the Vietnam War is as important now as ever, not only for those veterans who served but for all citizens; and

WHEREAS, April 30, 2021, marks the 46th anniversary of the end of the Vietnam War; now, therefore,

Be It Resolved by the Senate of the Seventy-third General Assembly of the State of Colorado, the House of Representatives concurring herein:
