JBC Staff Analysis

Current Appropriations Clause in Bill

The bill includes an appropriation clause that provides a total of \$312,922 General Fund to the Office of the Governor for FY 2021-22. This provision also states that the appropriation is based on the assumption that the Office will require an additional 0.9 FTE.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2021-22 based on the March 2021 Legislative Council Staff revenue forecast. The budget package includes a set aside of \$48.0 million General Fund for bills that require General Fund appropriations for FY 2021-22. This bill requires a General Fund appropriation of \$312,922 for FY 2021-22, reducing the \$48.0 million set aside by the same amount.
