Table with 4 columns: Category, Sub-category, Budget Year FY 2021-22, and Out Year FY 2022-23. Rows include Revenue (Cash Funds, Total Revenue), Expenditures (Cash Funds, Centrally Appropriated, Total Expenditures, Total FTE), Transfers, and TABOR Refund.

## Summary of Legislation

This bill requires radon measurement and mitigation professionals to be licensed by the Division of Professions and Occupations (DPO) in the Department of Regulatory Agencies (DORA) by July 1, 2022. Applicants for licensure must meet certain requirements and maintain professional liability insurance.

While the director of the DPO has the authority to take disciplinary action against licensees, a person who conducts radon measurement or mitigation without a license commits a class 2 misdemeanor for a first offense and a class 1 misdemeanor for subsequent offenses.

The licensing program repeals September 1, 2027, following a sunset review.

## Comparable Crime Analysis

Legislative Council Staff is required to include certain information in the fiscal note for any bill that creates a new crime, changes the classification of an existing crime, or changes an element of an existing crime. This section outlines data on crimes comparable to the offense in this bill and discusses assumptions on future rates of criminal conviction for those offense.

**Prior conviction data and assumptions.** This bill adds the professions of radon measurement or mitigation to the existing offense of unauthorized practice of profession or occupation. From 2018 to 2020, zero offenders have been sentenced and convicted for this offense; therefore, the fiscal note assumes that there will continue to be minimal or no additional criminal case filings or convictions for this offense under the bill. Because the bill is not expected to have a tangible impact on criminal justice-related revenue or expenditures at the state or local levels, these potential impacts are not discussed further in this fiscal note.

Visit [leg.colorado.gov/fiscalnotes](http://leg.colorado.gov/fiscalnotes) for more information about criminal justice costs in fiscal notes.

## State Revenue

This will increase state revenue by \$112,500 in FY 2021-22 and \$115,875 in FY 2022-23 to the Division of Professions and Occupations Cash Fund. This revenue is subject to TABOR.

**Fee impact on radon professionals.** Colorado law requires legislative service agency review of measures which create or increase any fee collected by a state agency. These fee amounts are estimates only, actual fees will be set administratively by the DPO based on cash fund balance, estimated program costs, and the estimated number of licensees subject to the fee. The fiscal note assumes 300 radon professionals will apply for licensure in 2021-22 and an additional 9 in FY 2022-23. Table 2 below identifies the fee impact of this bill.

**Table 2  
 Fee Impact on Radon Professionals**

<b>Fiscal Year</b>	<b>Type of Fee</b>	<b>Proposed Fee</b>	<b>Number Affected</b>	<b>Total Fee Impact</b>
<b>FY 2021-22</b>	Radon Professional License	375	300	\$112,500
	<b>FY 2021-22 Total</b>			<b>\$112,500</b>
<b>FY 2022-23</b>	Radon Professional License	375	309	\$115,875
	<b>FY 2022-23 Total</b>			<b>\$115,875</b>

**State Expenditures**

This bill will increase state expenditures by \$77,779 and 0.6 FTE in FY 2021-22 and \$147,384 and 1.3 FTE in FY 2022-23 to the DPO from the DPO Cash Fund. These costs are shown in Table 3 and explained below.

<b>Total</b>	<b>\$77,779</b>	<b>\$147,384</b>
<b>Total FTE</b>	<b>0.6 FTE</b>	<b>1.3 FTE</b>

<sup>1</sup> Centrally appropriated costs are not included in the bill's appropriation.

**Department of Regulatory Agencies.** The DPO will establish the regulatory program in FY 2021-22 and begin issuing licenses prior to July 1, 2022. Staff are prorated to October 1, 2021, for the program manager and January 1, 2022, for the technician and administrative assistant that will staff the radon professional licensing program. The program will be fully staffed in FY 2022-23, including 0.1 FTE of criminal investigator for enforcement actions.

Costs include 150 hours of legal services in FY 2021-22 for rulemaking and 447 hours of legal services in FY 2022-23 for rulemaking and enforcement. Legal services are provided by the Department of Law at a rate of \$106.34 per hour. The Department of Law requires 0.1 FTE in FY 2021-22 and 0.2 FTE in FY 2022-23.

**Judicial Department.** The trial courts may see an increase for judicial review of compliance issues beginning in FY 2022-23. This increase is expected to be minimal and not require additional appropriations.

**Centrally appropriated costs.** Pursuant to a Joint Budget Committee policy, certain costs associated with this bill are addressed through the annual budget process and centrally appropriated in the Long Bill or supplemental appropriations bills, rather than in this bill. These costs, which include employee insurance and supplemental employee retirement payments, are estimated to be \$14,645 in FY 2021-22 and \$28,598 in FY 2022-23.

**TABOR refunds.** The bill increases state revenue subject to TABOR. For FY 2022-23, the March 2021 LCS forecast projects revenue to fall short of the TABOR limit by \$28.6 million, or 0.2 percent of the limit. If actual revenue exceeds the limit, the bill will increase the amount required to be refunded to taxpayers in tax year 2023.

## Effective Date

The bill takes effect 90 days following adjournment of the General Assembly sine die, assuming no referendum petition is filed.

## State Appropriations

For FY 2021-22, the bill requires an appropriation of \$63,134 and 0.5 FTE to the Department of Regulatory Agencies from the Division of Professions and Occupations Cash Fund, of which \$15,951 and an additional 0.1 FTE is reappropriated to the Department of Law.
