Expenditures	General Fund	\$10,000	-
Transfers		-	-
TABOR Refund		-	-

Summary of Legislation

The bill changes the names of Lincoln and Liberty Parks in central Denver, collectively, to Colorado Veterans' Park. These parks are state-owned properties managed by Department of Personnel and Administration as part of the Capitol Complex. In addition, the bill authorizes the installation of a bronze sculpture of General Maurice Rose, the installation and maintenance of which will be funded by donors.

State Expenditures

For FY 2021-22, the bill increases expenditures in the Department of Personnel and Administration by \$10,000 from the General Fund to rename the parks. Four entrances to Lincoln Park have 6 foot by 6 foot square flagstones engraved with the name Lincoln Park. These flagstones will be replaced with new unengraved stones at a cost of \$2,500 each, which includes installation. Workload for the department will increase minimally to update various regulations and publications to reflect the renaming.

The sculpture is designated as a permanent piece of donated art, and the installation and perpetual maintenance are funded by donors with no associated increase in state expenditures. Workload will increase for the Capitol Building Advisory Committee to provide input on the installation.

Local Government

The City and County of Denver will incur minor costs to update publications to reflect the renaming.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.

State Appropriations

For FY 2021-22, the bill requires a General Fund appropriation of \$10,000 to the Department of Personnel and Administration.
