Current Appropriations Clause in Bill
The bill includes an appropriation clause that transfers $15.0 million General Fund into the Area
Agency on Aging Cash Fund in FY 2021-22, which is managed by the Department of Human
Services. The clause further appropriates an equivalent amount of reappropriated funds from the
Cash Fund to provide the Department the necessary spending authority to implement this bill.
Points to Consider

General Fund Impact
The Joint Budget Committee has proposed a budget package for FY 2021-22 based on the March 2021 Legislative Council Staff revenue forecast. The budget package includes a set aside of $48.0 million General Fund for bills that require General Fund appropriations for FY 2021-22. This bill requires a General Fund appropriation of $15,000,000 for FY 2021-22, reducing the $48.0 million set aside by the same amount.
