Section 2 enacts the "Colorado 340B Prescription Drug Program Anti-discrimination Act" (act), which prohibits health insurers, PBMs, and other third-party payers (third-party payers) from discriminating against entities, including pharmacies, participating in the federal 340B drug pricing program (340B covered entity). Specifically, the bill prohibits a third-party payer from:

- Refusing to reimburse a 340B covered entity for dispensing 340B drugs, imposing additional requirements or restrictions on 340B covered entities, or reimbursing a 340B covered entity for a 340B drug at a rate lower than the amount paid for the same drug to pharmacies that are not 340B covered entities;
- Assessing a fee, charge back, or other adjustment against a 340B covered entity, or restricting a 340B covered entity's access to the third-party payer's pharmacy network, because the covered entity participates in the 340B drug pricing program;
- Requiring a 340B covered entity to contract with a specific pharmacy or health coverage plan in order to access the third-party payer's pharmacy network;
- Imposing a restriction or an additional charge on a patient who obtains a prescription drug from a 340B covered entity; or
- Restricting the methods by which a 340B covered entity may dispense or deliver 340B drugs.

Section 2 makes a violation of the act an unfair or deceptive act or practice in the business of insurance and authorizes the commissioner of insurance to adopt rules to implement the act.
