committees of candidates for statewide offices must submit a post-election report disclosing contributions and expenditures 30 days after the major election in election years. The committees of candidates for county, special district, and municipal offices must submit a post-election report 30 days after the primary election, where applicable, and 30 days after the major election in election years.

**Section 1** of the bill changes the post-election report filing deadline from 30 days to 35 days.

**Section 2** concerns the filing of personal disclosure statements under the public official disclosure law. This section exempts candidates who have filed their personal disclosure statement within 180 days before January 10 from having to file an annual personal disclosure statement for that year.

**Section 3** clarifies that an individual who files a personal disclosure statement within 180 days before January 10 meets the annual personal disclosure reporting requirements.
