101 CONCERNING CHANGES TO JAIL DATA COLLECTION REQUIREMENTS.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

Under existing law, the keeper of a jail is required to submit a quarterly report of inmate information to the division of criminal justice within the department of public safety (division), and the division is required to publish that information in a searchable and sortable format. That requirement is set to repeal on January 31, 2023. The bill strikes the repeal. The bill requires the inmate information collected to include each inmate's age.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters or bold & italic numbers indicate new material to be added to existing statute.
Dashes through the words indicate deletions from existing statute.
