103 **REGARDING SENTENCING PROVISIONS FOR OFFENSES.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

Pursuant to law that will take effect March 1, 2022, it is a class 2 misdemeanor to practice the following professions without an active license, registration, or certification: Professional engineering, architecture, audiology, dentistry, direct-entry midwifery, medicine, physician assistant, anesthesiologist assistant, professional nursing,

nursing home administration, optometry, pharmacy, pharmacy technician, and respiratory therapy. The bill makes practicing those professions intentionally without a license, registration, or certification a class 6 felony.

The bill states the purposes of probation are:

- To serve as a sentencing option and a response to crime in order to moderate and deter future criminal behavior and victimization;
- To support persons in behavior change through the coordination and provision of effective and individualized services which may include, but are not limited to, educational, therapeutic, restorative, and skill-building services;
- To hold persons accountable for their behavior through supervision and interventions that promote reparation of harm to the community and victims, which reparation includes, but is not limited to, restitution to victims;
- To serve as a cost-effective option for persons appropriate for community supervision; and
- To honor the statutory and constitutional rights of victims of crime.

The bill requires a probation officer to issue a summons when a probationer has allegedly violated a condition of probation or the officer is seeking probation revocation, with some exceptions.

The bill requires the state court administrator to develop a system of structured and individualized behavior responses to guide probation officers in determining how best to respond to probation violations.

Under current law, when a parolee has a technical violation of parole, a brief period of confinement in a county jail may be imposed as a sanction. The bill allows that confinement to also be served in a department of corrections facility.

The bill specifies that for a theft that involves public benefits, the value of the benefits involved for purposes of determining the level of the offense is calculated by the difference between the value of the benefits received and the value of benefits the recipient applied for and was lawfully eligible for.

Under current law, it is illegal for someone to possess a firearm if the person was convicted of or adjudicated for a victim's right act crime that is a felony. The bill adds more felony offenses to the convictions that prohibit a person from possessing a firearm.

Under current law, it is illegal for someone to possess a firearm if the person was previously adjudicated for a victim's right act crime that is a felony offense. The bill allows a person in that situation who has good cause for possessing a firearm to petition the court for an order determining that the crime does not apply to the person.

1 *Be it enacted by the General Assembly of the State of Colorado:*

21 STRUCTURED AND INDIVIDUALIZED BEHAVIORAL RESPONSES DEVELOPED
22 PURSUANT TO THIS SUBSECTION (3) OR DEVELOP AND USE AN EQUIVALENT
23 AND LOCALLY DEVELOPED SYSTEM THAT IS ALIGNED TO BEST PRACTICES.

24 **SECTION 6.** In Colorado Revised Statutes, **amend** 16-11.5-101
25 as follows:

26 **16-11.5-101. Legislative declaration.** The general assembly
27 ~~hereby~~ declares that substance abuse, specifically the abuse of alcohol and

1 controlled substances, is a major problem in the criminal justice system
2 of the state of Colorado and in the entire nation. Substance abuse is a
3 significant factor in the commission of crimes, and it is a significant
4 factor in impeding the rehabilitation of persons convicted of crimes which
5 results in an increased rate of recidivism. Therefore, the general assembly
6 hereby resolves to curtail the disastrous effects of substance abuse in the
7 criminal justice system by providing for consistency in the response to
8 substance abuse throughout the criminal justice system and to improve
9 and standardize substance abuse treatment for ~~offenders~~ PEOPLE at each
10 stage of the criminal justice system and to provide ~~punitive measures~~ A
11 RANGE OF INDIVIDUALIZED BEHAVIORAL RESPONSES for ~~offenders who~~
12 ~~refuse to cooperate with and~~ PEOPLE WHO DO NOT respond SUCCESSFULLY

4 ~~increases in the level of an offender's supervision, increases in the use of~~
5 ~~electronic monitoring of an offender, loss of earned time granted pursuant~~
6 ~~to section 17-22.5-405, C.R.S., and referral of the offender to the court or~~
7 ~~the state board of parole for resentencing or revocation of probation or~~

21 determine the number of jail beds, if any, that are available to the
22 department of corrections in their respective facilities for the purpose of
23 imposing an intermediate sanction. If jail beds are unavailable in the local
24 community of the facility in which the parolee is being supervised, the

9 record, and the district attorney, under which the defendant is obligated
10 to adhere to such stipulation. The conditions imposed in the stipulation
11 ~~shall be~~ AND THE RESPONSES TO VIOLATION BEHAVIOR ARE similar ~~in all~~
12 ~~respects to conditions permitted as part of probation.~~ A person convicted
13 of a crime, the underlying factual basis of which included an act of
14 domestic violence, as defined in section 18-6-800.3 (1), shall stipulate to
15 the conditions specified in section 18-1.3-204 (2)(b). In addition, the
16 stipulation may require the defendant to perform community or charitable
17 work service projects or make donations thereto. Upon full compliance
18 with such conditions by the defendant, the plea of guilty previously
19 entered shall be withdrawn and the charge upon which the judgment and
20 sentence of the court was deferred shall be dismissed with prejudice. The
21 stipulation shall specifically provide that, upon a breach by the defendant
22 of any condition regulating the conduct of the defendant, the court shall
23 enter judgment and impose sentence upon the guilty plea; except that, if
24 the offense is a violation of article 18 of this ~~title~~ TITLE 18, the court may
25 accept an admission or find a violation of the stipulation without entering
26 judgment and imposing sentence if the court first makes findings of fact
27 on the record stating the entry of judgment and sentencing would not be

1 consistent with the purposes of sentencing, that the defendant would be
2 better served by continuing the deferred judgment period, and that public
3 safety would not be jeopardized by the continuation of the deferred
4 judgment. If the court makes those findings and continues the deferred
5 judgment over the objection of the prosecution, the court shall also
6 impose additional and immediate sanctions upon the defendant to address
7 the violation, to include, but not be limited to, the imposition of further
8 terms and conditions that will enhance the likelihood of the defendant's
9 success, respond to the defendant's noncompliance, and promote further
10 individual accountability, including extending the time period of the
11 deferred judgment for up to two additional years or incarceration in the
12 county jail for a period not to exceed ninety days consistent with the
13 provisions of section 18-1.3-202 (1), or both. When, as a condition of the
14 deferred sentence, the court orders the defendant to make restitution,
15 evidence of failure to pay the restitution shall constitute prima facie
16 evidence of a violation. Whether a breach of condition has occurred shall
17 be determined by the court without a jury upon application of the district
18 attorney or a probation officer and upon notice of hearing thereon of not
19 less than seven days to the defendant or the defendant's attorney of
20 record. Application for entry of judgment and imposition of sentence may
21 be made by the district attorney or a probation officer at any time within
22 the term of the deferred judgment or within thirty-five days thereafter.
23 The burden of proof at the hearing shall be by a preponderance of the
24 evidence, and the procedural safeguards required in a revocation of
