- Repealing annual statutory transfers from the marijuana tax cash fund to the licensing services cash fund for use by the hearings division and the division of motor vehicles in the department;
- Reducing the total amount appropriated to the hearing division and the division of motor vehicles that previously would have been funded with the marijuana tax cash fund transfers to the licensing services cash fund by 10%, and requiring such funding to be provided from "off the top" highways users tax fund (HUTF) appropriations rather than by licensing services cash fund appropriations through a statutory authorization for that use of "off the top" HUTF money and the following appropriations:
  - A decrease of \$713,000 in the 2022-23 long bill cash funds appropriation from the licensing services cash fund for personal services in the hearings division;
  - A decrease of \$548,000 in the 2022-23 long bill cash funds appropriation from the licensing services cash fund for Colorado driver's license, record, identification, and vehicle enterprise solution (DRIVES) maintenance and support in the division of motor vehicles; and
  - A 2022-23 state fiscal year "off the top" HUTF appropriation of \$1,261,000 to the department, which may use \$713,000 of the appropriation for personal services in the hearings division and \$548,000 of the appropriation for DRIVES maintenance and support in the division of motor vehicles.
