Points to Consider

General Fund Impact

The Joint Budget Committee (JBC) has proposed a supplemental budget package for FY 2021-22 and is developing a budget package for FY 2022-23 based on the December 2021 Legislative Council Staff revenue forecast. The JBC has included as part of its FY 2021-22 supplemental budget package \$70,825 General Fund in FY 2021-22 and \$48,025 in FY 2022-23 to be appropriated for implementation of this bill.

The amounts appropriated in this bill correspond to the General Fund savings by fiscal year from an enhanced federal match available through the federal American Rescue Plan Act for services provided to Medicaid clients by Urban Indian Organizations. The FY 2021-22 General Fund savings is accounted for in the FY 2021-22 supplemental bill and the FY 2022-23 General Fund savings will be accounted for in the FY 2022-23 Long Bill.
