Summary of Legislation

The bill sunsets the Strategic Action Planning Group on Aging, which is scheduled to repeal on September 1, 2022, and makes conforming changes to statute. The bill also transfers any unspent funds in the Strategic Action Plan on Aging Cash Fund to the Older Coloradoans Cash Fund for use by the Colorado Department of Human Services (CDHS) for the Colorado Commission on Aging to implement the planning group's recommendations.

Background

Under current law, the Strategic Action Planning Group on Aging is scheduled to repeal on September 1, 2022. For informational purposes, the committee had costs of \$76,733 in FY 2020-21. The sunset report for this committee can be found here: https://drive.google.com/file/d/1-stVO6CDCUEZozWMUoG_LRh305uQyzNZu/view.

State Transfer

In FY 2022-23, the bill requires that any remaining funds in the Strategic Action Plan on Aging Cash Fund be transferred to the Older Coloradans Cash Fund. As of the time of this writing, the Strategic Action Plan on Aging Cash Fund has about \$87,000 in the fund. The fiscal note assumes that the majority of this money will be spent before it is transferred and that a minimal amount will be transferred in FY 2022-23.

Effective Date

The bill takes effect upon signature of the Governor, except that certain sections with conforming amendments are contingent upon the passage of House Bill 22-1035.
