Expenditures	General Fund	-	\$236,346
	Continuing FTE	-	3.0 FTE

<sup>1</sup> Table 1 shows the new impacts resulting from changes to the program under the bill, and the continuing impacts from extending the program beyond its current repeal date. Because the bill continues a program without making any changes, there are no new impacts. The continuing program impacts will end if the bill is not passed and the program is allowed to repeal.

## Summary of Legislation

The bill implements the recommendation in the Department of Regulatory Agencies' 2021 sunset report on the Colorado Resiliency Office in the Department of Local Affairs by continuing the office for another 15 years, until 2037. It is currently scheduled to repeal September 1, 2022.

## Background

The Colorado Resiliency Office coordinates long-term disaster recovery efforts, including connecting communities with resources and working to reduce the impacts of future disasters. The sunset report is available here: [https://drive.google.com/file/d/1HaPyHzH\\_aBxLSOnv52P4NMTOBTeWriED/view](https://drive.google.com/file/d/1HaPyHzH_aBxLSOnv52P4NMTOBTeWriED/view)

## Continuing Program Impacts

Based on the department's FY 2022-23 budget request, the Department of Local Affairs is expected to have expenditures of \$236,346 and 3.0 FTE to administer the Colorado Resiliency Office. If this bill is enacted, current expenditures will continue for the program starting in FY 2023-24. If this bill is not enacted, the program will end on September 1, 2023, following a wind-down period, and state expenditures will decrease starting in FY 2023-24 by the amounts shown in Table 1.

## Effective Date

The bill was signed into law by the Governor on June 2, 2022, and it took effect August 9, 2022.
