Summary of Legislation

On July 1, 2022, and July 1 in the subsequent four years, the bill requires the state treasurer to pay \$6.65 million from the General Fund to the Fire and Police Pension Association (FPPA) for deposit into the FPPA's Statewide Death and Disability Trust Fund.

Background

Death and disability benefits for FPPA members hired before January 1, 1997 ("old hires") were paid with state funding to the Statewide Death and Disability Trust Fund, however, state funding for this benefit discontinued in 1997 based on an actuarial assumption that the last payment of \$39.0 million had fully funded the plan. A current actuarial analysis performed by Gabriel, Roeder, Smith & Company (GRS), the FPPA's actuarial firm, indicates a shortfall of \$33.191 million in the trust fund. This amount is projected to grow each year by an estimated 7 percent, or roughly \$2 million per year. For further information, see GRS's memo regarding State Funding of the Statewide Death and Disability Plan for Pre-1997 Hires: <https://forwardwithfppa.org/documents/GRS-estimate-state-liability-2021-05-21.pdf>.

State Expenditures

Beginning in FY 2022-23, the bill creates a state General Fund expenditure of \$6.65 million for five years for a total of \$33.25 million to the FPPA.

Other Budget Impacts

General Fund reserve. Under current law, an amount equal to 15.0 percent beginning in FY 2022-23. Based on this fiscal note, the bill is expected to increase the amount of General Fund held in reserve by the amounts shown in Table 1, which decreases the amount of General Fund available for other purposes.

Statutory Public Entity

Upon receipt of state funding, the FPPA is no longer expected to have an unfunded liability in the Statewide Death and Disability Trust Fund.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.

State Appropriations

For FY 2022-23, the bill includes an appropriation of \$6,650,000 General Fund to the Office of the State Treasurer for distribution to the Fire and Police Pension Association.
