Under current law, an owner of special mobile machinery may obtain from the department of revenue a registration exempt certificate for the special mobile machinery only if the owner regularly has 1,000 or more items of special mobile machinery in the state. The bill allows an owner of any amount of special mobile machinery located in the state to obtain a registration exempt certificate for the special mobile machinery.

18 mobile machinery. Notwithstanding the exemptions from registration and
19 licensing requirements for any such item of special mobile machinery, at
20 the time during each calendar year in which specific ownership tax is first
21 paid for the item as required by subsection (16)(c)(II) of this section, the
22 owner of the item shall also pay directly to the department all fees and

1 surcharges that would otherwise be paid at the time of registration
2 PURSUANT TO SUBSECTION (16)(g)(V) OF THIS SECTION; except that the
3 owner shall not pay any fee imposed pursuant to section 42-3-301 for the

3 section, the department shall allow a credit for taxes, surcharges, and
4 registration fees paid on any item of Class A, Class B, Class C, Class D,
5 or Class F personal property, other than Class F personal property for
6 which the department has issued a registration exempt certificate in
7 accordance with subsection (16)(g) of this section, if the owner disposes
8 of the vehicle during the registration period or if the owner converts the
9 vehicle from any class of personal property to Class F property. The

11 on a subsequent application by the owner for registration of an item of

14 to the transferee of the property for which taxes, surcharges, or
15 registration fees were paid; except that, when the transferee is a dealer in
16 new or used vehicles, the transferee shall account to the owner for any
17 assignment of the credit.
