**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)*

The bill changes the deadline by which the state, a county, a city and county, or a city (jurisdiction) is required to issue and send by mail or other delivery service a notice of violation when a traffic violation is detected through the use of an automated vehicle identification system (system) from 90 days after the violation to:

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
*Capital letters or bold & italic numbers indicate new material to be added to existing law.

- 30 days after the violation if the motor vehicle involved is registered in the state; or
- 60 days after the violation if the motor vehicle involved is registered outside of the state.

The bill specifies the information required in a notice of violation and a civil penalty assessment notice. If a registered motor vehicle owner (owner) fails to request a hearing to dispute the alleged violation or fails to pay the civil penalty in full by the deadline stated in the notice, the owner waives the right to contest the violation or amount of the penalty, and the jurisdiction is required to enter a final order of liability against the owner. Any appeal of a final order must be brought in the manner required by the jurisdiction for similar appeals.

The bill establishes that the owner of a motor vehicle involved in a violation detected through the use of a system, including an owner engaged in the business of leasing or renting motor vehicles, is presumed liable for any civil penalty imposed, but the owner may obtain payment for the penalty from a person that leased or rented the motor vehicle at the time the violation occurred or may avoid liability for the civil penalty if the owner demonstrates that, at the time of the violation, the motor vehicle was leased to another person for a period of more than one year.

The bill also specifies the methods by which the owner of a motor vehicle involved in a traffic violation may rebut the presumption of liability for the violation.

The bill requires a jurisdiction utilizing a system to report unpaid violations to the department of revenue (department). The department shall keep a record of unpaid violations and suspend the registration of the motor vehicle until the penalty is paid or prohibit the title transfer of the motor vehicle. The bill allows the department to collect a \$25 administration fee to cover its administration costs.

The bill requires a jurisdiction implementing a new system after July 1, 2023, to:

- Announce the implementation of the system through its website for at least 30 days prior to the use of the system; and
- Issue only warnings for traffic violations detected by the system for the first 30 days after the system is installed or deployed.

The bill allows a municipality to designate all or a portion of a street as an automated vehicle identification corridor within which the municipality may locate a system to detect traffic violations under specified circumstances.

The bill permits a jurisdiction to compensate a manufacturer or vendor of system equipment for the value of services provided, in addition to compensating for the value of the system equipment as permitted under current law.

The bill imposes restrictions on when photographs may be taken by a system and on access to and use of photographs and video created by systems and requires photographs and videos to be destroyed after a specified period, with certain exceptions.

1 required to submit evidence that the owner was not the driver at the time  
2 of the alleged violation. IF THE STATE, COUNTY, CITY AND COUNTY, OR  
3 MUNICIPALITY IMPLEMENTS A NEW AUTOMATED VEHICLE IDENTIFICATION

19 ~~not issue a penalty assessment notice or summons for a violation detected~~  
20 ~~using an automated vehicle identification system unless, at the time the~~  
21 ~~violation is alleged to have occurred, an officer or employee of the state,~~  
22 ~~the county, the city and county, or the municipality is present during the~~  
23 ~~operation of the automated vehicle identification device; except that this~~

7 AS AN AUTOMATED VEHICLE IDENTIFICATION CORRIDOR, ON WHICH  
8 DESIGNATED CORRIDOR THE COUNTY OR MUNICIPALITY MAY LOCATE AN  
9 AUTOMATED VEHICLE IDENTIFICATION SYSTEM TO DETECT VIOLATIONS OF  
10 A MUNICIPAL TRAFFIC REGULATION, VIOLATIONS OF A COUNTY TRAFFIC  
11 CODE, OR A TRAFFIC VIOLATION UNDER STATE LAW, SO LONG AS THE  
12 COUNTY OR MUNICIPALITY POSTS A PERMANENT SIGN IN A CONSPICUOUS  
13 PLACE NOT FEWER THAN THREE HUNDRED FEET BEFORE THE BEGINNING OF

17 SUBSECTION (2)(g), unless the context otherwise requires, "residential  
18 neighborhood" means any block on which a majority of the improvements  
19 along both sides of the street are residential dwellings and the speed limit  
20 is thirty-five miles per hour or less.

21 (III) This ~~paragraph (g)~~ shall SUBSECTION (2)(g) DOES not apply  
22 to an automated vehicle identification system designed to detect

25 against a license under section 42-2-127 upon entry of a conviction or  
26 judgment for a violation of a municipal traffic regulation or a traffic  
27 violation under state law if the violation was detected through the use of

1 an automated vehicle identification system. HOWEVER, FOR ANY  
2 VIOLATION THAT IS UNPAID WITHIN SIXTY DAYS AFTER THE FINAL  
3 DISPOSITION OF THE VIOLATION, the department ~~may not~~ SHALL keep any

20 under state law through the use of an automated vehicle identification  
21 system and the violation is the first violation ~~by such driver~~ INVOLVING  
22 THE MOTOR VEHICLE that the state, county, city and county, or  
23 municipality has detected using an automated vehicle identification  
24 system, then the state, county, city and county, or municipality ~~shall~~ MAY

10 SECTION, the maximum penalty that the state, county, city and county, or  
11 municipality may impose for such violation, including any surcharge, is  
12 forty dollars.
