Appropriation Summary: No appropriation is required.

Fiscal Note Status: The fiscal note reflects the introduced bill.

Summary of Legislation

This bill amends the "Colorado Youth Employment Opportunity Act of 1971" to allow aggrieved parties, including children and parents of children, to pursue legal remedies and remedies under the Workers Compensation Act.

State Expenditures

Beginning in FY 2023-24, the bill increases workload for the trial courts in the Judicial Department to handle any additional civil cases, and for the Department of Labor and Employment to handle any questions or complaints. It is assumed that any additional cases will be minimal, so the increase from the bill will be minimal and absorbable.

Effective Date

The bill takes effect July 1, 2023, and applies to violations committed on or after that date.
