Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2023-24 based on the March 2023 Office of State Planning and Budgeting (OSPB) revenue forecast. The budget package includes two set-asides for legislation outside of the package: (1) \$30.0 million General Fund for bills that create ongoing obligations; and (2) \$469.0 million for bills that create one-time obligations for FY 2023-24 (see table below).

| General Fund Appropriation Placeholders for Other 2023 Legislation | | |
|--|---------------|--|
| Description | FY 2023-24 | |
| Legislation with Ongoing Fiscal Impacts | \$30,000,000 | |
| Legislation with One-time Fiscal Impacts | | |
| Workforce-related legislation, including free credentials, math scholarships, adult education, and concurrent enrollment | 103,000,000 | |
| Housing-related legislation, including property tax relief, land use, and public-private partnerships | 221,000,000 | |
| Legislation related to topics other than workforce and housing, including rural opportunity, line of duty loss, and Proposition 122 implementation | 145,000,000 | |
| Subtotal | \$469,000,000 | |
| TOTAL Placeholders for Other 2023 Legislation | \$499,000,000 | |

The budget package accounts for the 15.0 percent reserve associated with the above placeholders (a total of \$74.9 million).

This bill creates an ongoing obligation and requires a General Fund appropriation of \$56,468 for FY 2023-24, reducing the \$30.0 million set aside by the same amount, and requires a General Fund appropriation of \$187,821 for FY 2024-25.
