Summary of Legislation

The bill continues the Community Crime Victims Grant Program in the Colorado Department of Public Health and Environment (CDPHE) for five years until September 1, 2028.

Background

The Community Crime Victims Grant Program was created in House Bill 18-1409 to award grants to entities that provide support services and other interventions to crime victims and a victim's immediate family. The full sunset report can be found [here](#).

Continuing Program Impacts

Based on the department's FY 2023-24 budget request, the CDPHE is expected to have expenditures of \$882,349 and 0.3 FTE to administer the program. If this bill is enacted, current expenditures will continue for the program starting in FY 2023-24. If this bill is not enacted, the program will end on September 1, 2023, followed by a wind-down period, and state revenue and expenditures will decrease starting in FY 2024-25 by the amounts shown in Table 1, above.

Effective Date

The bill was signed into law by the Governor on May 17, 2023, and takes effect on August 7, 2023, assuming no referendum petition is filed.
