tenants who have an annual household income of 80% or less than the area median income and are at risk of eviction or displacement. The division administers the grant program and contracts with nonprofit organizations to award grants. Grants are paid from money in the housing development grant fund (fund).

To receive a grant, an individual must apply to the division's statewide application portal. Grant money may be expended only by a nonprofit organization that contracts with the division. Permissible uses of grant money include only the following:

- Paying rent in arrears, rent presently owed, and rent up to 2 months in advance on behalf of a grant recipient;
- Paying utility bills, late fees, court costs, attorney fees, and any other costs associated with preventing a tenant's eviction;
- Paying costs associated with relocation, including deposits and other move-in expenses, on behalf of a grant recipient;
- Paying for efforts to generate awareness of the grant program among tenants who are at risk of eviction or displacement;
- Paying for project delivery costs associated with application review as determined by the division; and
- Paying costs of administering the grant program.

Contracted nonprofit organizations must report to the executive director of the department (executive director) regarding grant amounts and uses of grant money. During the next regular session of the general assembly, the executive director must report to the joint budget committee and the legislative committees with oversight of local government matters concerning the grant program.

Within 3 days after the effective date of the bill, the state treasurer must transfer \$30 million from the general fund to the fund for the purposes of the grant program. The division must use the money in the fund by June 30, 2024.

Any portion of the money transferred to the fund that is not expended by the division for the purposes of the grant program by June 30, 2024, reverts to the general fund. The grant program is repealed, effective June 30, 2025.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds that:

4 (a) Home values are rising at historic rates across Colorado, and

1 with the failure of Proposition HH, Coloradans now face an
2 unprecedented and immediate crisis with an anticipated forty-percent
3 average increase in property tax bills unless the legislature enacts a
4 solution to reduce pending increases in property tax bills;

5 (b) Increased property taxes impact not only homeowners but also
6 renters, who invariably bear the burden of increased costs on landlords in
7 the form of increased rent; in fact, renters are most vulnerable to
8 increased property taxes, because unlike landlords they do not benefit
9 from the corresponding gain in equity, making it harder for hardworking
10 Colorado renters to thrive and achieve economic freedom;

11 (c) Skyrocketing home values reduce renters' opportunities to
12 purchase homes and escape the cycle of renting; and

13 (d) An inflationary economy with higher interest rates makes it
14 even more difficult for low-income tenants, including fixed-income
15 seniors, to stay in homes that were once affordable.

16 (2) Therefore, the general assembly declares that it is in the best
17 interests of the state for the state to immediately provide assistance to
18 tenants who are at risk of eviction or displacement in order to reduce the
19 number of such tenants who will be evicted or displaced and to reduce the
20 costs associated with any displacement that occurs as a result of the
21 impact of seemingly inevitable and substantial property tax increases in
22 the near future.

23 **SECTION 2.** In Colorado Revised Statutes, 24-32-721, **amend**
24 **(1); and add (7) as follows:**

25 **24-32-721. Colorado affordable housing construction grants**
26 **and loans - housing development grant fund - creation - housing**
27 **assistance for persons with behavioral, mental health, or substance**

1 **use disorders - cash fund - appropriation - report to general assembly**

2 **- rules - definitions - repeal.** (1) There is hereby created in the state

3 treasury the housing development grant fund, which fund is administered

4 by the division and is referred to in this section as the "fund". The fund

5 consists of money credited to the fund in accordance with section

6 39-26-123 (3)(b); money transferred to the fund in accordance with

7 section 24-22-118 (2); money appropriated to the fund by the general

14 section from federal grants, from other contributions, gifts, grants, and

15 donations received from any other organization, entity, or individual,

16 public or private; and from any fees or interest earned on such money.

17 The division is hereby authorized and directed to solicit, accept, expend,

18 and disburse all money collected for the fund from the sources specified

19 in this subsection (1) for the purpose of making grants, loans, or other

20 forms of assistance that may be awarded under section 24-32-721.7 and

21 for program administration as provided in this section. All such money

22 must be transmitted to the state treasurer to be credited to the fund. The
