A BILL FOR AN ACT

101 **CONCERNING LOCAL COLLEGE DISTRICTS.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)

The bill authorizes the board of trustees (board) of any local college district to determine the number of trustees on the board and permits certain-sized boards that establish board member districts to designate some board member districts as at-large districts.

Under existing law, voters must approve a school district's annexation into a local college district at a regular biennial school election. The bill removes that restriction so that the approval vote may occur at any regular election.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters or bold & italic numbers indicate new material to be added to existing law.
Dashes through the words or numbers indicate deletions from existing law.
