of regulatory agencies' 2023 sunset review and report on the Colorado commission for the deaf, hard of hearing, and deafblind (commission) by:

- Continuing the commission for 7 years, until 2031;
- Establishing a permanent state auxiliary services program; and
- Changing the name of the deafblind citizens council to the deafblind advisory council.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) The Colorado commission for the deaf, hard of hearing, and
5 deafblind was established to facilitate the provision of state and local
6 government services to the deaf, hard of hearing, and deafblind, while
7 making government more efficient;

8 (b) Under the federal "Americans with Disabilities Act of 1990",
9 42 U.S.C. sec. 12101 et seq., as amended, Colorado has a duty to provide
10 equivalent access to state government and public accommodations to the
11 deaf, hard of hearing, and deafblind;

12 (c) This duty requires state departments and agencies to provide
13 auxiliary services, communications technology equipment, and other
14 resources to ensure access;

15 (d) Auxiliary services include sign language interpretation
16 services, real-time captioning services, and other vital communication
17 aids and access services;

18 (e) These services are necessary for people who are deaf, hard of
19 hearing, and deafblind to communicate effectively with one another; and

20 (f) The state of Colorado does not have a centralized, statewide
21 system to provide communication access services for the deaf, hard of
22 hearing, and deafblind.

1 (2) Therefore, the general assembly declares that the Colorado
2 commission for the deaf, hard of hearing, and deafblind in the department
3 of human services, in collaboration with the department of personnel and
4 administration and the department of labor and employment, shall consult
5 and make recommendations to the general assembly and the governor's
6 office on how to establish a centralized, statewide auxiliary services
7 program to arrange for the provision of auxiliary services for state
8 departments and agencies, including the governor's office, that employ or
9 serve individuals who are deaf, hard of hearing, or deafblind.
