Summary of Legislation

The bill repeals the requirement in current law that the Public Employees' Retirement Association (PERA) periodically identify all companies that have economic prohibitions against Israel and divest from them.

Background

[House Bill 16-1284](#) required PERA to identify and divest from any company that boycotts Israel. PERA regularly identifies these companies and lists them on their [website](#).

Statutory Public Entity

Currently, PERA contracts with a vendor to assist in complying with the provisions of HB 16-1284. PERA spends about \$10,000 annually to report the list of companies and divest from them. The bill would eliminate these expenditures beginning in FY 2024-25 and ongoing.

Effective Date

The bill takes effect 90 days following adjournment of the General Assembly sine die, assuming no referendum petition is filed.
