Summary of Legislation

The bill establishes June 12 as "Women Veterans Appreciation Day," an observed state holiday.

Assessment of No Fiscal Impact

Observed holidays, unlike legal holidays, do not impact hours worked for state employees. The observed holiday may shift the school year calendar for any school district that chooses to give students the day off. Such observed holidays do not impact state revenues or expenditures, and thus this additional observed holiday is assessed as having no fiscal impact.

Effective Date

The bill was signed into law by the Governor on June 5, 2024, and it took effect on August 7, 2024.
