Summary of Legislation

Beginning July 1, 2024, the bill requires that contracts between a public school or district and a digital education provider include a termination clause ending the contract if the provider's content contains advertisements, embedded links or URLs. School districts may be entitled to reimbursement against the vendor if the contract is breached.

School District

Schools will update their policies to modify contracts with digital education providers and distribute information to parents to comply with the bill. The exact costs for this workload will vary between school districts.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.
