funds to the Department of Health Care Policy and Financing for FY 2024-25, including \$222,920 General Fund and \$222,919 matching Medicaid federal funds. This provision also states that the appropriation is based on the assumption that the Department will require an additional 1.0 FTE.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2024-25 based on the March 2024 Office of State Planning and Budgeting (OSPB) revenue forecast. The budget package includes \$93.5 million in set-asides for legislation outside of the package (see table below). The budget package accounts for the 15.0 percent reserve associated with the placeholders (a total of \$14.0 million).

General Fund Appropriation Placeholders for Other 2024 Legislation	
Description	FY 2024-25
General Legislative Priorities	\$21,739,130
Legislation for Shared Housing Priorities	42,478,261
Legislation for Shared Workforce and Education Priorities	16,152,110
Legislation for Other Shared Priorities	10,519,130
Legislation for Distributions to Rural Hospitals	2,608,689
TOTAL Placeholders for Other 2024 Legislation	\$93,497,320

This bill requires a General Fund appropriation of \$222,920 for FY 2024-25, reducing the \$93.5 million set aside by the same amount.
