		Budget Year FY 2024-25	Out Year FY 2025-26
Revenue		-	-
Expenditures	State Education Fund	\$3.0 million	-
Transfers		-	-
Other Budget Impacts		-	-

Summary of Legislation

The bill requires that the Colorado Department of Education (CDE) contract with a Colorado institution of higher education to develop and offer a free, optional professional development program to improve teaching around the Colorado academic standards in science. The program must include instruction on interventions for students who are below grade level or struggling in science, children with disabilities, and students who are English language learners. Teachers who participate in this professional development may earn credit towards license renewal. Rural school districts must be prioritized if demand for the training exceeds capacity. The program must be available beginning with the 2025-26 school year.

By January 30, 2027, the CDE must report to the General Assembly and the State Board of Education the number of eligible teachers, disaggregated by license type and local education provider, who participated in the program.

For FY 2024-25, the bill requires that the General Assembly appropriate \$3.0 million from the State Education Fund to the CDE. Unexpended funds remain available to the department through FY 2026-27.

State Expenditures

Department of Education. The bill increases costs in the CDE by \$3.0 million in FY 2024-25, paid from the State Education Fund. CDE will use funds for the administrative expenses of the procurement process, and to contract with an institution of higher education to develop and provide the required science pedagogy professional development program.

Institution of Higher Education. The selected institution of higher education will use funds received from the CDE to develop and administer the additional professional development training to eligible teachers.

Effective Date

The bill takes effect 90 days following adjournment of the General Assembly sine die, assuming no referendum petition is filed.

State Appropriations

For FY 2024-25, the bill requires an appropriation of \$3.0 million from the State Education Fund to the Colorado Department of Education.
