XXX	Update: Fiscal impact has changed due to <i>amendment adopted</i> after LCS Fiscal Note was prepared
	Non-Concurrence: JBC Staff and Legislative Council Staff disagree about the fiscal impact of the bill

The Finance Committee Report (05/07/24) includes amendments to the bill that create a threshold for implementing the alcohol beverage shipper license and the catering license to a future time in which the Liquor Enforcement Division (LED) can afford to administer and enforce the licenses. Additionally, the amendments provide clarifying language and make technical adjustments to the bill. These amendments eliminate the cash fund revenue and TABOR impacts of the bill and eliminate future expenditures beyond the one-time \$5,000 LED cash fund appropriation currently in the bill. Legislative Council Staff and JBC Staff agree on the fiscal impact of the amended bill.
