*Be it enacted by the General Assembly of the State of Colorado:*

**SECTION 1. Legislative declaration - legislative intent.** (1) The general assembly finds and declares that:

(a) The state received money from the federal government pursuant to the federal "American Rescue Plan Act of 2021" (ARPA money), and federal law requires that money to be obligated by December 31, 2024, and spent by December 31, 2026;

(b) ARPA money not obligated by December 31, 2024, must be returned to the federal government;

(c) The state appropriated ARPA money for a number of programs and purposes, but appropriating money is not an obligation for the purposes of federal law; and

(d) To preserve the greatest flexibility for the state after December 31, 2024, and to ensure the uninterrupted implementation of programs, it is in the best interest of the state to spend ARPA money before December 31, 2024, on eligible ARPA uses and substitute state funds for programs that extend beyond December 31, 2024, and on personal services, as permitted by federal law, before January 31, 2025.

(2) It is the general assembly's intent that:

---

*Capital letters or bold & italic numbers indicate new material added to existing law; dashes through words or numbers indicate deletions from existing law and such material is not part of the act.*

(a) Most of the ARPA money appropriated for programs intended to be spent after December 31, 2024, be substituted with state money, changing the source of program funds while maintaining funding for the programs;

(b) This act does not change the requirements, timelines, or spending deadlines for any program; and

(c) The exchanged ARPA money be spent on personal services retroactively in fiscal year 2023-24 and in the first half of fiscal year 2024-25 so that all of the state's unobligated ARPA money will be spent by the end of 2024, ensuring compliance with federal deadlines.
