## Summary of Legislation

---

By December 1, 2027, the bill requires a municipality with a population of 100,000 or more that is served by an accredited fire protection district or fire department to adopt or amend a building code to allow up to five stories of a multifamily residential building to be served by a single exit, provided certain safety conditions are satisfied. The bill clarifies that these building code requirements do not impact existing energy code requirements or zoning codes.

## State Expenditures

---

The bill may increase workload in the Department of Local Affairs to provide technical assistance to certain municipalities. Any impact is absorbable with existing resources.

## Local Government

---

The bill may increase workload and costs for covered municipalities to modify and update their building codes. The bill is expected to apply to 12 municipalities that meet the bill's criteria (Denver, Colorado Springs, Aurora, Fort Collins, Lakewood, Thornton, Arvada, Westminster, Greeley, Pueblo, Boulder, and Centennial). s

## Effective Date

---

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.
