A MESSAGE FROM THE STATE AUDITOR

This annual report provides information about the Office of the State Auditor's (OSA) activities and accomplishments during Fiscal Year 2020. The OSA issued 50 financial, performance, and IT audits and evaluations, 37 tax expenditure evaluations, and five other work products, all of which provided the General Assembly, agencies, and the public with thorough and credible information and impartial assessments of the operation of state programs and use of taxpayer resources.

The OSA remains focused on addressing high risk areas for the State, as well as programs and issues that are important for policy makers and the public.

- The OSA issued 10 performance audits, with three in response to legislative requests that focused on processes for accurately determining and collecting severance taxes owed to the State, the operations of the Colorado State Fair Authority, and ensuring reliable performance of the State's public safety radio communications system.
- The OSA's Fiscal Year 2019 audit of the State's financial statements and federal grant programs covered \$42.5 billion in total assets, \$34.4 billion in total expenditures, and \$12.3 billion in federal funds.
- The OSA evaluated information technology security management and operations at the Department of Transportation and for a mission critical system at the Department of Education.

- The OSA’s tax expenditure evaluations covered 69 individual tax expenditures related to business incentives, excise taxes, insurance premium taxes, income taxes, and sales and use taxes.
- The OSA reviewed 4,068 local government audits and exemptions to ensure local financial reporting is in compliance with statutory requirements.

Finally, the OSA continues to be recognized nationally for its superior work. We received a 2020 Certificate of Impact Award from the National Legislative Program Evaluation Society for our September 2018 performance audit of the Office of the Child’s Representative.

I am very proud of what our staff have accomplished this past year—especially given the unprecedented challenges we have all faced in 2020—and the positive impacts we continue to make for the people of Colorado.

LEGISLATIVE AUDIT COMMITTEE

The Legislative Audit Committee (LAC) includes four senators and four representatives with equal representation from the two major political parties. The LAC holds public hearings to review and release audit reports prepared by the State Auditor, proposes special audits, sponsors legislation related to issues identified in audits, and holds agencies accountable for implementing audit recommendations. In addition, every five years the LAC recommends a candidate to the General Assembly for appointment as State Auditor.

OSA MISSION

Through a comprehensive strategic planning process, the OSA has defined a mission statement, vision statements, and an underlying goal for carrying out its statutory and professional responsibilities.

OSA MISSION STATEMENT

- To improve government for the people of Colorado.

OSA VISION STATEMENTS

- We will provide objective information, quality services, and solution-based recommendations.
- Our audits will identify efficiencies and cost savings, and improve effectiveness and transparency in government.

OSA GOAL

- Produce quality and timely products that respond to changing demands by maximizing internal efficiencies and available resources, including products that identify cost savings and other financial benefits for the State. The OSA will promote the best and highest use of these products through targeted distribution and presentations.

ABOUT THE OSA

The OSA is the nonpartisan government watchdog for the people of Colorado. We promote accountability in government by providing the General Assembly, agencies, and the public with thorough and credible information and impartial assessments of the operation of state programs and use of taxpayer resources. Our audits provide solution-based recommendations that focus on reducing costs, increasing efficiency, promoting the achievement of legislative intent, improving the effectiveness of programs and the quality of services, ensuring transparency in government, and ensuring the accuracy and integrity of financial and other information that decision makers need to hold agencies accountable for the use of public resources.

Section 2-3-103, C.R.S., grants the OSA broad authority and access to records to conduct performance, financial, and IT audits of all state departments and agencies, public colleges and universities, most special purpose authorities, any state entity designated as an enterprise under the Taxpayer's Bill of Rights (TABOR), and other political subdivisions and non-State entities as required by law.

In addition to conducting performance, financial, and IT audits, the OSA carries out the following major statutory responsibilities:

- Conducts evaluations of all state tax expenditures on a 5-year cycle [Section 39-21-305(1)(d), C.R.S.]
- Monitors local governments for compliance with the Local Government Audit Law [Section 29-1-601, et seq., C.R.S.]
- Administers a statewide fraud reporting hotline [Section 2-3-110.5, C.R.S.]

FINANCIAL BENEFITS

The OSA's audits frequently identify financial benefits, which collectively represent the dollar value the OSA provides to the people of Colorado by ensuring the responsible stewardship of public funds.

In Fiscal Year 2020, the OSA identified financial benefits totaling \$622.2 million. For the 5-year period from Fiscal Year 2016 through Fiscal Year 2020, the OSA identified financial benefits totaling approximately \$852.7 million, or an average of about \$170.5 million per year. The OSA's goal is to achieve at least a 3:1 ratio of benefits to costs over a 5-year period. The OSA has achieved a 21:1 ratio of benefits to costs, which means that the return on investment to the taxpayer is approximately \$21 in financial benefits for every \$1 spent on the OSA's operations.

Financial benefits include the identification of potential cost savings, questionable payments, opportunities to improve the effective management of funds, collection of fees or debts owed, policies that could be changed to increase revenue, opportunities to leverage state resources with matching funds, and increases in the value of state assets.

The following chart breaks down the \$852.7 million in financial benefits identified by the OSA for Fiscal Years 2016 through 2020 by category:

AUDIT RECOMMENDATIONS

Audit recommendations promote positive change in government and are an important part of ensuring that agencies correct the problems and issues identified by our financial, performance, and IT audits.

Each fall, the OSA issues its *Annual Report on the Status of Audit Recommendations Not Fully Implemented*, which compiles and summarizes all audit recommendations made by the OSA during the prior 5-year period. This report helps the OSA fulfill its statutory reporting responsibilities to the General Assembly under the State Measurement for Accountable, Responsive, and Transparent (SMART) Government Act, and provides information for legislative oversight committees to hold agencies accountable for their use of public resources.

Overall, agencies make the changes they agree or partially agree to make. However, some audit recommendations remain unimplemented. As of June 30, 2019:

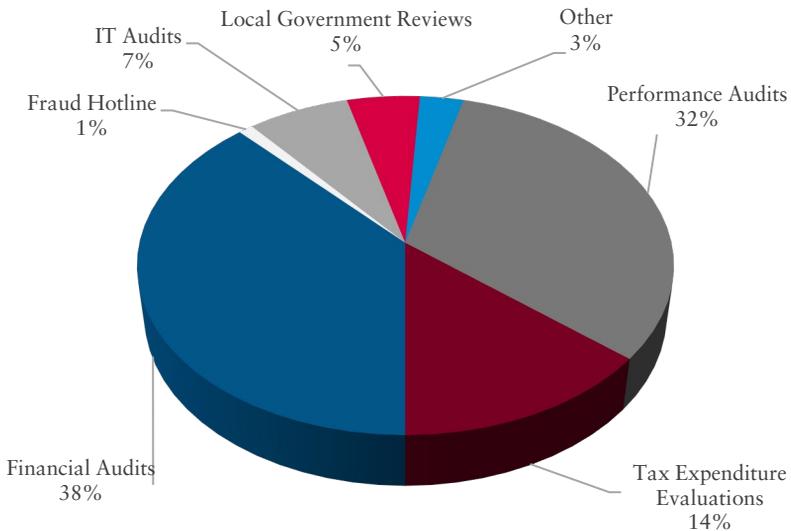

- 98 of the 1,495 audit recommendations (7 percent) that the OSA made from July 2013 through June 2018, and that agencies agreed or partially agreed to implement, remained unimplemented.
- 22 of the 98 unimplemented recommendations (22 percent) are considered high priority due to their seriousness or because they have remained unimplemented for 3 years or more.

ALLOCATION OF RESOURCES

During Fiscal Year 2020, the OSA issued 92 financial, performance, and IT audit reports, tax expenditure evaluations, and other work products based on the following authority:

- 82 (89 percent) were completed in response to statutory or other requirements.
- 7 (8 percent) were completed at the State Auditor’s discretion based on risk, audit coverage, and other considerations.
- 3 (3 percent) were completed in response to requests from state legislators that were approved by the Legislative Audit Committee.

The following chart breaks down where the OSA’s project hours were spent in Fiscal Year 2020:

Note: “Other” includes hours for nonaudit work products (e.g., Annual Report of Recommendations Not Fully Implemented, School District Fiscal Health report) and other activities such as status reports, audit topic planning and research, legislation, internal quality control monitoring, and external peer review participation.

PERFORMANCE AUDITS

Performance audits and evaluations address whether programs are operated in an effective and efficient manner to accomplish their intended goals and are in compliance with laws and regulations.

During Fiscal Year 2020, the OSA issued the following performance audits and evaluations:

IT AUDITS

The OSA's IT audit team evaluates information technology (IT) processes related to information security and other IT controls over critical and essential state information systems and applications. The majority of the IT team's audit work is related to the OSA's annual statewide financial and compliance audit and included testing IT controls for information systems that are significant to the State's financial activities and federal compliance requirements. The IT team also conducts or oversees standalone IT performance audits and evaluations.

During Fiscal Year 2020, the OSA issued the following standalone IT performance audits and evaluations:

REPORT NAME	REPORT RELEASE DATE	REPORT No.
Evaluation of Information Technology Security at the Colorado Department of Transportation	March 2020	1926P-IT
Information Technology Audit of a Mission Critical System at the Department of Education	See Note	1925P-IT

Note:

In accordance with Section 2-3-103(2), C.R.S., this report was not publicly released by the Legislative Audit Committee at its December 2019 hearing. The report remains confidential due to the IT security-sensitive nature of its contents.

TAX EXPENDITURE EVALUATIONS

Section 39-21-305(1)(d), C.R.S., requires the State Auditor to evaluate all of the State’s tax expenditures at least once every 5 years. Statute defines a tax expenditure as “a tax provision that provides a gross or taxable income definition, deduction, exemption, credit, or rate for certain persons, types of income, transactions, or property that results in reduced tax revenue.” Tax expenditures reduce the amount of revenue the State collects from sales and use, income, insurance, alcohol, tobacco, fuel, and severance taxes.

During Fiscal Year 2020, the OSA issued the following tax expenditure evaluation reports:

OTHER WORK PRODUCTS

In addition to its audits and tax expenditure evaluations, the OSA produces other work products that provide important information and analysis for the General Assembly, state and local government agencies, and the public.

During Fiscal Year 2020, the OSA issued the following other work products:

REPORT NAME	REPORT RELEASE DATE	REPORT NO.
Annual Report: Status of Audit Recommendations Not Fully Implemented as of June 30, 2019	November 2019	1934S

LOCAL GOVERNMENT AUDIT DIVISION

The OSA's Local Government Audit Division (Division) tracks about 4,000 Colorado local governments for compliance with the Local Government Audit Law [Section 29-1-601, et seq., C.R.S.], which requires every local government in the state to undergo an annual financial audit conducted by an independent certified public accountant and submit it to the State Auditor for review. Local governments with revenues or expenditures for any fiscal year that are not more than \$750,000 may apply to the State Auditor for an exemption from audit.

The Division examines annual financial audits submitted by local governments to determine compliance with governmental accounting standards and other statutory requirements. The Division also reviews and approves Exemption from Audit applications and provides technical assistance to local governments and their independent auditors.

One of the Division's award-winning work products is the annual *Fiscal Health Analysis of Colorado School Districts*. This report provides a set of financial indicators for each school district that can warn district officials and the Department of Education about financial stress that may require further examination and remedial action.

The OSA provides a similar fiscal health analysis tool on its website for use by Colorado counties and municipalities. The Division uses this fiscal analysis tool when reviewing the independent financial audit reports that Colorado counties and municipalities submit to the OSA.

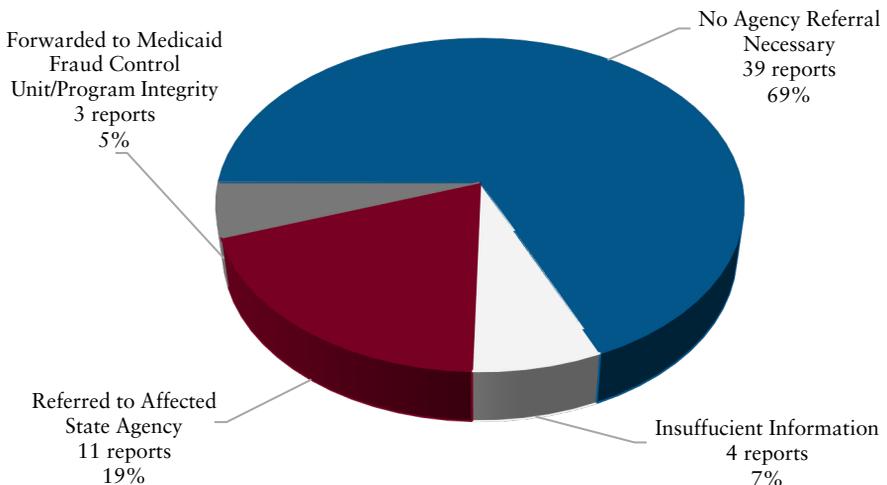

FRAUD HOTLINE

The purpose of the OSA's Fraud Hotline is to receive reports about occupational fraud, which is a situation in which a state employee or contracted individual may be using their position or access as an employee or contractor to commit fraud against the State or others.

Section 2-3-110.5, C.R.S., specifies requirements for the OSA's screening and referral of Hotline calls to the affected state agency. Under certain circumstances, the State Auditor has statutory authority to investigate allegations reported to the Hotline.

HOTLINE REPORTS

During Fiscal Year 2020, the OSA's Fraud Hotline received a total of 57 reports that were handled as follows:

The majority of reports were not referred to an affected state agency because they did not fall within the Hotline's jurisdiction (e.g., did not constitute an allegation of occupational fraud, involved a local government).

AGENCY REFERRALS

As of June 30, 2020, the status of the 11 occupational fraud allegations that were referred to affected state agencies is as follows:

- 9 referrals—Closed. Final disposition reported by the affected state agencies.
 - ▶ 7 referrals—Allegation not substantiated.
 - ▶ 1 referral—Allegation substantiated and disciplinary action taken. This allegation involved misappropriation of assets.
 - ▶ 1 referral—Allegation substantiated but no disciplinary action taken. This allegation involved misappropriation of assets.
- 2 referrals—Open. Awaiting final disposition from the affected state agencies.

Additionally, in Fiscal Year 2020, a final disposition was reported for six hotline reports that the OSA referred to the affected state agencies in a prior fiscal year. One of these allegations, which involved misappropriation of assets, was found to be substantiated and disciplinary action was taken.

Finally, two referrals made in a prior fiscal year remained open and under investigation by the OSA at the request of the affected state agencies.

STATUTORY CHANGE

In some cases, issues raised in the OSA’s audits may prompt members of the General Assembly to seek statutory change to improve the efficiency and effectiveness of state government operations. Legislation can originate as a committee bill sponsored by the Legislative Audit Committee, or as a bill sponsored by individual legislators.

During the 2020 Legislative Session, 12 bills were enacted into law related to issues raised in the OSA’s audits and other work products or the OSA’s audit authority and statutory responsibilities. One of these bills—Senate Bill 20-071—was sponsored by the Legislative Audit Committee.

2020 LEGISLATION

ABOUT THE STATE AUDITOR

The State Auditor is a constitutionally established position, appointed by the General Assembly without regard to political affiliation. The State Auditor serves a 5-year term and must be a certified public accountant (CPA) licensed to practice in Colorado.

Dianne E. Ray was appointed unanimously by the General Assembly to the position of State Auditor in May 2011 for a 5-year term and was reappointed unanimously in April 2016 for an additional 5 years. She has specialized in governmental accounting and auditing for more than 25 years and possesses in-depth knowledge of Colorado's state and local governments.

Dianne has extensive experience in senior-level management positions and has been recognized for her innovative leadership style. In 2012, the Colorado Society of Certified Public Accountants and the American Institute of Certified Public Accountants named Dianne as one of three "Women to Watch" in the Experienced Leader category. In May 2015, the University of Colorado-Denver's School of Public Affairs awarded Dianne the 2015 Leo Reithmeyer Award for the Top Public Administrator in Colorado. In August 2016, the President of the National Association of State Auditors, Controllers, and Treasurers named Dianne as recipient of the annual President's Award. In June 2020, she was awarded the William L. Snodgrass Distinguished Leader Award by the National State Auditors' Association.

In June 2020, Dianne was appointed to serve a 5-year term on the Governmental Accounting Standards Board, beginning July 1, 2020. In 2016, Dianne was appointed by the U.S. Comptroller General to serve a 4-year term (2016-2020) on the Advisory Council on Government Auditing Standards, which includes experts from federal, state, and local government; the private sector; and academia to review and recommend necessary changes to standards that guide the government auditing profession. In 2018, Dianne was appointed by the U.S. Comptroller General to serve on the Domestic Working Group, a forum for members

to discuss topics of mutual interest, address common concerns, and promote collaborative efforts in the accountability community in the U.S.

Dianne served as the President of the National State Auditors Association for the 2015-2016 term. Dianne is also a member of the Board of the Colorado Housing and Finance Authority, Chair of the Audit Committee, and former Board Chair.

Prior to becoming the State Auditor, Dianne served as the OSA's Deputy State Auditor primarily responsible for the financial audit of the State of Colorado. Dianne began her career at the OSA in 2002 as Director of the Local Government Audit Division. Prior to joining the OSA, Dianne worked in local governments for 15 years, including as Director of Finance and Administration for the City of Louisville, Colorado.

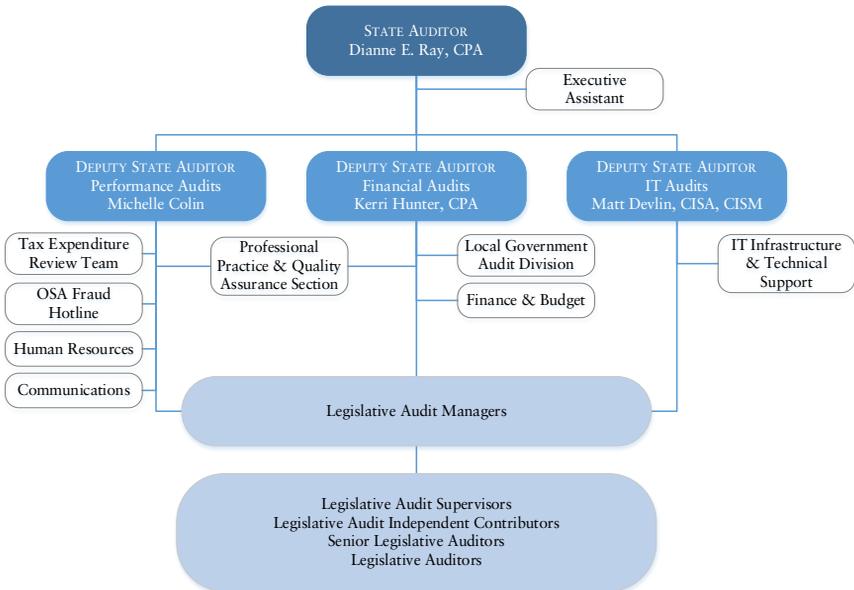

Dianne holds a Bachelor of Science degree in Accounting from Arizona State University and a Master of Public Administration degree from the University of Colorado. She is a licensed Certified Public Accountant in Colorado and Arizona.

OSA ORGANIZATIONAL STRUCTURE

AUDIT INDUSTRY & COMMUNITY LEADERSHIP

The OSA has established itself as a leader among its peers in other states and is an active contributor to the government auditing profession and the local community.

PEER ORGANIZATIONS

The OSA participates in national and regional organizations that provide opportunities to share best practices, exchange ideas, and better understand the unique and changing demands facing state audit organizations:

- NATIONAL STATE AUDITORS ASSOCIATION (NSAA) is an organization specifically dedicated to state audit organizations. Members of the OSA's senior management team and audit managers serve on several NSAA standing committees and workgroups. Some of the OSA's audit managers also participate on or lead teams assigned to conduct external quality control peer reviews of other state audit organizations through the NSAA's External Peer Review Program.
- NATIONAL LEGISLATIVE PROGRAM EVALUATION SOCIETY (NLPEs) is a professional staff association of the National Conference of State Legislatures that is dedicated to strengthening state legislatures through the performance auditing and program evaluation function and supporting the legislative staff who perform this work.
- MOUNTAIN AND PLAINS INTERGOVERNMENTAL AUDIT FORUM (MPIAF) is one of 10 regional audit forums sponsored by the U.S. Government Accountability Office that connect and support government auditors at the federal, state, and local levels. The OSA's Deputy State Auditor for Performance Audits serves on the MPIAF Executive Committee.

EXTERNAL PRESENTATIONS

OSA staff routinely speak at professional conferences, training events, and with higher education classrooms about our work and role in state government. During Fiscal Year 2020, OSA staff gave 10 presentations for the following organizations:

- Association of Pacific Island Public Auditors
- Colorado Society of Certified Public Accountants
- National Legislative Program Evaluation Society
- National State Auditors Association
- State Employees Leading Colorado
- U.S. State Department, International Visitor Leadership Program

PROFESSIONAL ASSOCIATIONS

OSA staff are active members in the following professional associations:

- American Institute of Certified Public Accountants
- Association of Certified Fraud Examiners
- Colorado Government Finance Officers Association
- Colorado Society of Certified Public Accountants
- Information Systems Audit and Control Association
- Institute of Internal Auditors
- State Employees Leading Colorado

COMMUNITY SERVICE

In addition to leadership in the audit industry, OSA staff give back to the local community. In Fiscal Year 2020, OSA staff participated in volunteer events through the OSA's Community Service Program and raised nearly \$1,500 through the OSA's Jeans-4-Charity events to benefit the following organizations:

- A Precious Child
- Broken Shovels Farm
- Denver Inner City Parish Soup Kitchen
- Food Bank of the Rockies
- Foster Source
- Greenwood Wildlife Rehabilitation Center
- Hope House
- McAuliffe International School

- Project Angel Heart
- WIRES (Australian Wildlife Rescue)

OSA staff also donated \$5,500 in Fiscal Year 2020 through the annual Colorado Combined Campaign, which is a charitable donation program coordinated across all departments of state government.
