R3 HUMAN RESOURCES SUPPORT: The request includes an increase of \$1.0 million total funds, including \$600,980 General Fund, and 8.3 FTE for FY 2024-25 to support the Department in hiring skilled and competent employees, and to bring staff levels closer to the benchmark for large, complex, unionized, government organizations. The Department identifies challenges with recruitment, retention, development, and other human resources related services

as barriers to their ability to employ and retain skilled and in-demand employees. Additionally, a portion of the requested funding will be used to implement a comprehensive Leadership Development program to cultivate more effective leaders. The Department has one of the largest and the most diverse workforce among State agencies (more than 5,000 employees across over 290 job classifications). This includes high numbers of staff in occupations where market competition makes it difficult to hire and retain quality candidates. The request annualizes to \$1.0 million total funds, including \$590,291 General Fund, and 9.0 FTE in FY 2025-26 and ongoing.

R4 REGIONAL CENTERS MEDICAID REDUCTION: The request includes a decrease of \$2.2 million reappropriated fund in FY 2024-25 and ongoing due to census decreases and vacancy savings. The reappropriated funds originate as Medicaid appropriations, split evenly between General Fund and federal Title XIX funds, in the Department of Health Care Policy and Financing. The goal at the Regional Centers is to return individuals with Intellectual and Developmental Disabilities (IDD) to their community of choice with acquired skills and resources. A reduction in census indicates that the Regional Centers are functioning as intended because individuals are able to move to a less restrictive setting and integrate back into their community. The Department indicates this request is theory informed.

R5 HOME CARE ALLOWANCE REDUCTION: The request includes a decrease of \$4.2 million total funds, including \$4.0 million General Fund, to address declining caseloads that are driven by the application of 2022 rule changes that make Home Care Allowance (HCA) a program of last resort for disabled Coloradans seeking home care services. Nearly all of the cases are transitioning to the Medicaid Home and Community Based Services program through the Department of Health Care Policy and Financing. The HCA caseload is not expected to rebound, which will result in significant underspending of the appropriation as the full effect of the rule change is realized. The request annualizes to a reduction of \$6.4 million total funds, including \$6.0 million General Fund in FY 2025-26 and ongoing. The Department indicates this request is theory informed.

R6 SYSTEMIC ALIEN VERIFICATION FOR ENTITLEMENT (SAVE) FEDERAL FEE INCREASES: The request includes an increase of \$84,175 total funds, including \$14,019 General Fund, to accommodate the increasing federal fee for SAVE database searches, as mandated for federal assistance programs, along with estimated caseload increases. The U.S. Citizen and Immigration Services (USCIS) notified CDHS that the federal fee will increase 520.0 percent, from \$0.50 per transaction in federal fiscal year (FFY) 2023 to \$3.10 per transaction in FFY 2028. The request annualizes to \$142,046 total funds, including \$23,278 General Fund, in FY 2025-26, with further incremental increases through FY 2028-29.

R8 COMMUNITY PROVIDER RATE: The request includes an increase of \$18.3 million total funds, including \$10.8 million General Fund, in FY 2024-25 and ongoing for a 2.0 percent provider rate adjustment. This request affects the Office of Children, Youth, and Families, the Office of Economic Security, the Office of Behavioral Health, and the Office of Adults, Aging, and Disability Services.
