

MEMORANDUM

TO: Joint Budget Committee Members
FROM: Kevin Neimond, Joint Budget Committee Staff, 303-866-4958
SUBJECT: HIPAA Technical Correction for FY 2014-15 (HCPF)
DATE: March 13, 2015

The FY 2014-15 Long Bill appropriation for the Department of Health Care Policy and Financing did not contain approved by the Committee to fund the Department of Human Services’ “Health Insurance Portability and Accountability Act of 1996 – Security Remediation” line item in the Special Purpose subdivision of the Executive Director’s Office. **Staff recommends adding an appropriation of \$73,358 total funds, including \$36,679 General Fund, to the Department of Health Care Policy and Financing’s “Executive Director’s Office – Medicaid Funding” line item in the Department of Human Services Medicaid-Funded Programs division for FY 2014-15 and FY 2015-16 to correct this error.** *Note, the Department of Human Services FY 2014-15 current appropriation and FY 2015-16 Committee-approved appropriation already includes the reappropriated funds spending authority for these moneys.*
