The Honorable Kyle Mullica Chair Senate Committee on Finance 200 E Colfax Denver, CO 80203

The Honorable Chris Kolker Vice Chair Senate Committee on Finance 200 E Colfax Denver, CO 80203

Dear Chair Mullca, Vice Chair Kolker and Members of the Senate Committee on Finance

The undersigned organizations write today to express our support for SB 69 *Requirements to Operate a Motorboat* as amended and passed out of the Senate Committee on Transportation and Energy and urge the committee to pass the bill without any further changes. The undersigned organizations represent marine retailers both nationally and locally and appreciate the leadership of Senator Hinrichsen and Senator Will to make boating in Colorado safer for all.

The Colorado Marine Dealers Association (CDMA) was founded in 1985 and is dedicated to giving Colorado based marine retailers and associated businesses a unified voice while assisting with business development.

The Marine Retailers Association of the Americas (MRAA) is the leading trade association of North American small businesses that sell and service new and pre-owned recreational boats and operate marinas, boatyards, and accessory stores. MRAA represents more than 1,300 individual member retail locations and conducts advocacy efforts on their behalf.

BoatU.S. is the nation's largest recreational boating advocacy, services, and safety group, making boating better for America's recreational boaters. With more than 750,000 members nationwide, BoatU.S. works to educate new boaters, keep boaters safe and keep waters clean through its Boating Safety and Education programs.

Due to Colorado's natural features, crisscrossed by streams and rivers and dotted by a multitude of lakes, ponds, and reservoirs, boating in Colorado is both diverse and varied. Not only is boating in the Centennial State a favorite pastime of many residents and visitors alike, it is also a significant economic contributor to Colorado's growing outdoor recreation economy. According to the United States Bureau of Economic Analysis Outdoor Recreation Satellite Account,

recreational boating and fishing in Colorado generated \$ 403,046,000.00 in 2021 alone. Furthermore, according to data from NMMA, boating in Colorado supports almost 4,500 jobs at 275 businesses throughout the state.

On 2/13/2023 the Senate Committee on Transportation and Energy heard SB 69, ultimately approving two amendments, L.001 and L.002, and voting the bill out of committee with a final vote of 5 Yeas and 2 Nays. The undersigned organizations support the legislation as amended, and believe that in its current state, the legislation stands to have the most significant positive impact on boating safety in Colorado.

The born-after date currently contained in SB 069 – January 1st, 1984 – is backed by current incident report data, provided by the Colorado Department of Natural Resources, which shows that the majority of enforcement actions taken were on boaters between 29 and 39 years of age (Appendix A). The data also highlights that although there may be appetite within Colorado to only require boaters under the age of 18 take a boater safety course, this age bracket is *not* currently responsible for the majority, or even significant portion, of boating related incidents in Colorado. Lastly, it is important to keep in mind that according to current Colorado statue, all boaters 16 or under must take a mandatory boater education course. According to the Data from Appendix A, only 91 enforcement actions were taken on boaters between ages 18 and 16.

Again, undersigned organizations urge the Committee to pass SB 69 without any further changes. As currently drafted, SB 69 proposed to put in place policy, backed by data, that stands to have the most efficient impact to improve boater safety throughout Colorado. The MRAA, CMDA, and BOAT.U.S. want to thank Senator Hinrichsen and Senator Will for their leadership on this matter and focus on improving the safety of Colorado's waterways for both residents and visitors alike. Please feel free to reach out with any questions or concerns to Chad Tokowicz, at Chad@mraa.com or 978-569-5127.

Sincerely,

John Lee Government Affairs Program Coordinator Boat Owners Association of the United States

Kellen Friedlander President Colorado Marine Dealers Association
