Cybersecurity matters!

AN ECOSYSTEM FOR CYBER INNOVATION AND SECURITY

"As our country and state face looming challenges in cybersecurity, we need to ensure that (we) are as prepared as possible... The National Cybersecurity Center (NCC) will ensure that Colorado is the center for carrying out this mission."

-Gov. John Hickenlooper

"We are thrilled with the progress of the National Cybersecurity...we look forward to continued work with our partners...as we develop our city's reputation as a national leader in the area of cybersecurity."

-COS Mayor John Suthers

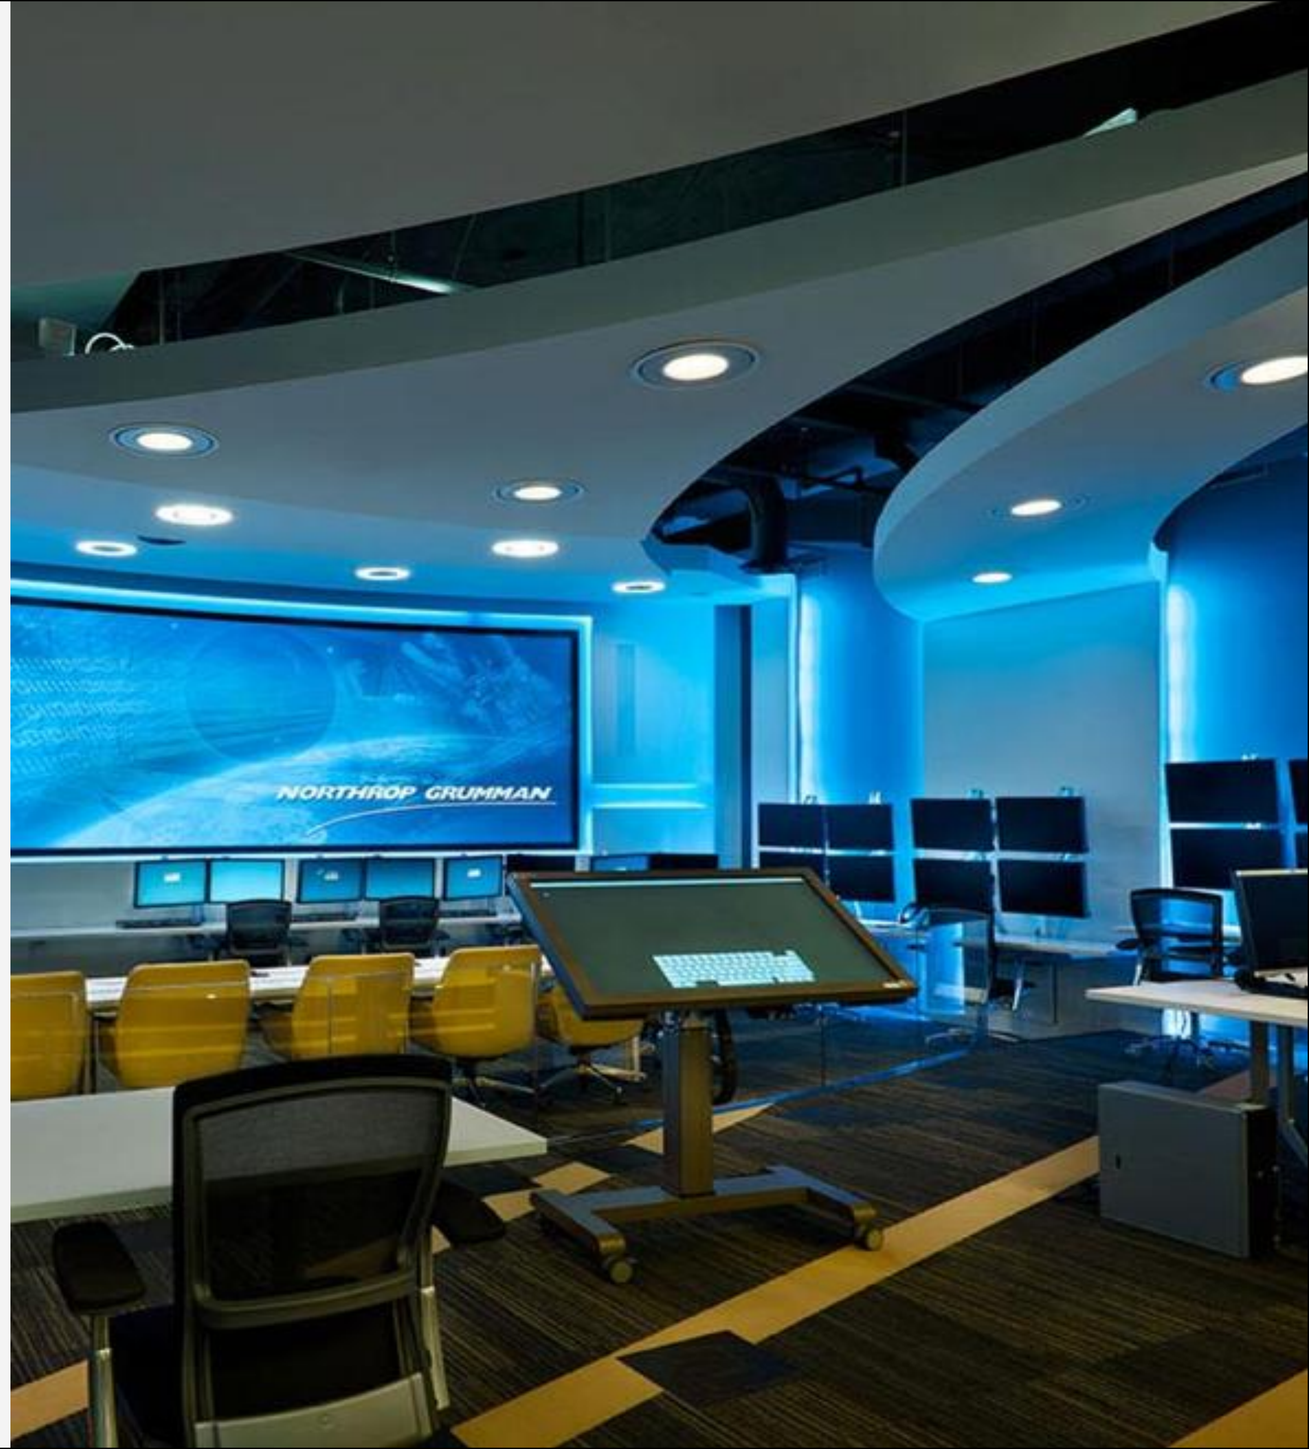
TO CONSIDER....

Colorado Film Commission offers a 20% rebate for money spent in state for films shot in Colorado. How much more could an EXPONENTIAL company that relocates to Colorado generate in the long term?

What if Colorado and Colorado Springs became a model for incentivizing successful, innovative entrepreneurs?

Longer Term: Cyber lab

- Necessity in order to become a best-in-class organization
- Need use cases and global funnel
- Estimated cost 1-2M



State & Regional Funding
