

Proposition II Question

Ballot Question:

Without raising taxes, may the state retain and spend revenues from taxes on cigarettes, tobacco, and other nicotine products and maintain tax rates on cigarettes, tobacco, and other nicotine products and use these revenues to invest twenty-three million six hundred fifty thousand dollars to enhance the voluntary Colorado preschool program and make it widely available for free instead of reducing these tax rates and refunding revenues to cigarette wholesalers, tobacco product distributors, nicotine products distributors, and other taxpayers, for exceeding an estimate included in the ballot information booklet for proposition EE?

The General Assembly referred this question to the voters in House Bill 23-1290, which is available online at: <https://leg.colorado.gov/bluebook>
