During the 2024 legislative interim, the American Indian Affairs Interim Study Committee met as a temporary interim committee approved by the Legislative Council Committee. The committee consists of six legislators, including three members from each chamber. It may hold up to six meetings during each legislative interim and request up to five bills per year. The committee must prepare a final report on their actions over the previous five years by January 15, 2030.

State Expenditures

The bill increases General Fund expenditures in the Legislative Department by about \$50,000 per year through FY 2029-30. These costs are outlined in Table 2 and described below.
