

# Colorado Charter School Institute

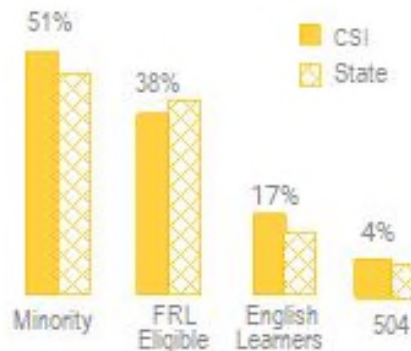

*Our mission is to foster high-quality charter public school choices, particularly those closing the opportunity gap.*

## Our Schools

**42** schools  
**23** towns/cities  
**15** school models  
**18,000+** students

## Our Students

Most subgroups reflect state averages & service to students with IEPs continues to **trend upward**.

## Our Focuses

1. Continued emphasis on advancing **access and equity**
2. Expanded support and monitoring of **school governance**
3. Advocating for **equitable access to resources** for CSI students
