SUBJECT: Overview of the Wildfire Matters Review Committee

Summary

This memorandum provides an overview of the 2024 membership of the Wildfire Matters Review Committee (committee), the origin and charge of the committee, bill request deadlines and procedures, and information regarding committee staff and the committee website.

Background and Committee Charge

Pursuant to Section 2-3-1602, C.R.S., the committee is charged with reviewing and proposing legislation or other policy changes related to wildfire prevention, mitigation, and related matters, including public safety and forest health issues. In passing Senate Bill 13-082, which created the Wildfire Matters Review Committee, the General Assembly intended for the committee to be a permanent interim committee through which the General Assembly reviews state policies and resources addressing wildfire prevention and mitigation and the successful implementation and execution of such policies.

During the 2018 legislative session, the General Assembly passed [Senate Bill 18-039](#), which repealed obsolete provisions, provided funding for legislative staffing, and extended the repeal date of the committee to September 1, 2025. The committee did not meet in 2020 due to the COVID-19 pandemic.

Committee Membership

There are ten legislative members on the Wildfire Matters Review Committee. Members serve two-year terms. The committee is chaired by a Senator in even-numbered years and by a Representative in odd-numbered years.

The ten legislators appointed to the committee for the 2024 interim are:

Senators	Representatives
Lisa Cutter, Chair	Elizabeth Velasco, Vice Chair
Mark Baisley	Andrew Boesenecker
Tony Exum	Mike Lynch
Janice Marchman	Tisha Mauro
Perry Will	Ron Weinberg

Meeting Dates

The committee is required to meet at least once each interim and is authorized to meet up to six times and take two field trips during the 2024 interim. The meeting schedule is as follows:

- Tuesday, July 2 in the Old State Library;
- Thursday, July 18 in the Old State Library;

- Other meeting and field trip dates to be determined.

Committee Recommendations to Legislative Council

Bill limits and requests. The committee may recommend up to five bills to the Legislative Council. Committee members must request bills during a single meeting set for requesting legislation, and bill requests must be approved by a majority of the committee members.¹

Bill request deadlines. The Legislative Council has established deadlines for the 2024 interim for requesting, drafting, and approving bill drafts under consideration by the committee.² The meeting to request bill drafts must be held by **August 20, 2024**. Committee members must submit drafting information to the Office of Legislative Legal Services (OLLS) bill drafter within

¹ Joint Rule 24 (d)(2.7)(A).

² Joint Rule 24A (d)(2.6).

three calendar days of the meeting at which bills were requested. There must be at least 42 days in between the meeting at which legislation is requested and the meeting at which it is approved. To allow time for Legislative Council Staff to prepare the fiscal analysis of the proposal, there must be 21 days between the date the proposed bill is finalized with OLLS staff and the date of the meeting to approve the proposed bills. The last day to finalize bill drafts with OLLS staff is **September 10, 2024**. The committee must meet and vote on the bill drafts by **October 1, 2024**.

Legislative Council review. The Legislative Council is scheduled to meet in mid-October to approve interim committee draft legislation. Bills approved by the Legislative Council do not count against a member's five-bill limit for the regular legislative session. Bills not approved by the Legislative Council may be introduced during the regular session, but such bills would count against a member's five bill limit.³ Interim committee bills must have prime sponsors prior to approval by the Legislative Council.⁴
