

# **EARTH FORCE**

*We are all in this together.*

We are a team of technologists, operators,  
and natural resource managers  
that have come together to  
dramatically modernize vegetation management.

Value Proposition:

- Safety
- Transparency
- Scalability
- Cost Reduction

**Technology Driven. Full Service. Vegetation Management.**

**Chief Executive Officer**

Dr. Jonny Rosenfeld  
**Chief Product Officer**

Ran Livneh  
**Chief Technology Officer**

Rikard Grunnan  
**VP, Fleet**

Dr. Geoff Staneff  
**VP, Product**

Alison Kelman  
**Environmental Lead**

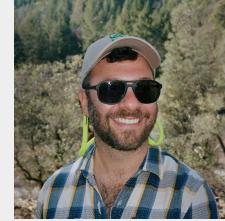

Liam Maier  
**Head Forester**

Kelvin Lam  
**Director of Aerial**

Reyna Taylor  
**GM, Operations**

Jeff Thomashow  
**Director of Commercial**

*Technology Driven. Full Service. Vegetation Management.*

The word "BOLD" in a bold, black, sans-serif font, centered within a white rectangular box.The word "GENERATE" in a bold, white, sans-serif font, preceded by a stylized "G" logo consisting of two interlocking squares, all within a black rectangular box.

Capitalized for success.

# Introducing Remote Operations

Remote operations has been used in the mining and agricultural sectors for over 15 years. We're bringing it to forestry work.

MINING

AGRICULTURE

FORESTRY

# Benefits of Remote Operations

## WORKER SAFETY

- ✓ Reduced occupational hazards
  - i. Falling trees
  - ii. Flying objects
  - iii. Slips, trips & falls
- ✓ Improved industrial hygiene (dust & noise)
- ✓ Reduced commuting risk

## PRODUCTIVITY & TALENT ATTRACTION

- ✓ Higher asset utilization (operator hot swap)
- ✓ High-quality jobs close to home
- ✓ Extended forestry careers
- ✓ Continuous training & workforce development

## SCALABILITY

- ✓ Unlocking an expanded labor pool for forestry work

## COSTS

- ✓ On-site liability reduction (insurance premiums)
- ✓ Reduced travel expenses

*We use teleoperations, AI, and continuous workforce development to utilize an ever-wider set of data and equipment.*

## *Earth Force is a Workforce Multiplier.*

1. **Recruiting:** *We get hundreds of job applicants per week.*
2. **Scalable Training:** *Field training plus lifelong digital training.*
3. **Operator Support:** *AI-powered guidance during operations.*
4. **Expert Intervention:** *Highly-skilled operators sign in for the hardest jobs.*
5. **Burst Capacity:** *Local operations can draw on an entire labor force.*

Our solution is unique and highly differentiated in the market:

- Safety
- Transparency
- Scale
- Cost Reduction

*Technology Driven. Full Service. Vegetation Management.*

Our approach creates  
high-quality jobs and  
a workforce that scales.

## *Earth Force Foundation*

- The Foundation holds 10% of the company's founding equity.
- The Foundation receives 1% of the company's revenue.
- **Foundation Mission:**  
*"People & Nature, Healing Each Other."*
- **Board of Directors:**
  - *Natalie Foster (SF)*
  - *Jo Opot (Nairobi)*
  - *Glenn Hurowitz (NYC)*

*Technology Driven. Full Service. Vegetation Management.*

How can we work together?

## *Let's grow together.*

- **Pilots:** *Work together on a small-scale.*
- **Core Operations:** *Scalable vegetation management services.*
- **New Technologies:** *Deploying new equipment and solutions.*
- **New Applications:** *Applying our platform in additional settings.*
- **Self-Operation:** *Bring operations in-house?*

Thank you.
