Overview

The Colorado Department of Regulatory Agencies submits the following 2020 Regulatory Agenda in fulfillment of the statutory requirements set forth in Colo. Rev. Stat. §2-7-203(4). Pursuant to state law, annually on November 1 executive-branch agencies must file a Departmental Regulatory Agenda (DRA) containing:

- The statutory or other basis for adoption of the proposed rules;
- The purpose of the proposed rules;
- The contemplated schedule for adoption of the rules;
- An identification and listing of persons or parties that may be affected positively or negatively by the rules; and
- A list and brief summary of all permanent and temporary rules adopted since the previous DRA was filed.

The Regulatory Agenda also includes, pursuant to Colo. Rev. Stat. §24-4-103.3, rules to be reviewed as part of the Department’s “Regulatory Efficiencies Reviews” during 2020 (which are denoted as such in the “purpose” column). The DRA is to be filed with the Legislative Council staff for distribution to committee(s) of reference, posted on the department’s web site, and submitted to the Secretary of State for publication in the Colorado Register. Each department must also present its DRA as part of its “SMART Act” hearing and presentation pursuant to Colo. Rev. Stat. §2-7-203(2)(a)(II).
