Summary of Legislation

The bill requires the Colorado State Forest Service (CSFS) in the Department of Higher Education to continue its enhanced wildfire awareness outreach campaign through FY 2027-28, as well as other outreach efforts to increase awareness of wildfire risk mitigation by residents in the wildland-urban interface. The bill extends the requirement that the state forester report annually on outreach efforts to the General Assembly. Finally, the bill requires that the General Assembly appropriate \$300,000 annually to the Healthy Forests and Vibrant Communities Fund through FY 2027-08, for ongoing wildfire awareness campaigns and outreach efforts. For FY 2024-25, the bill includes the first annual appropriation of \$300,000 from the General Fund to the fund.

Background

[Senate Bill 22-007](#) required the CSFS to convene a working group and implement an enhanced wildfire awareness month outreach campaign in 2023 and 2024. It transferred \$800,000 from the General Fund to the Healthy Forests and Vibrant Communities Fund to implement the campaign.

State Transfers

For FY 2024-25, the bill transfers \$300,000 from the General Fund to the Healthy Forests and Vibrant Communities Fund. This transfer occurs via an appropriation included in the bill. Transfers in the same amount are required through FY 2027-28. It is assumed future transfers will also be made via appropriations from the General Fund.

State Expenditures

The bill increases state expenditures by \$300,000 annually from FY 2024-25 through FY 2027-28, paid from the Healthy Forests and Vibrant Communities Fund. The CSFS will use the appropriated funds for the outreach campaign and distribution of outreach materials, including printing costs, event fees, travel, and website maintenance. The CSFS will also hire hourly student interns to assist in the wildfire awareness month campaign. No additional cash fund appropriation is required, as the Healthy Forests and Vibrant Communities Fund is continuously appropriated to the CSFS.

Other Budget Impacts

General Fund reserve. Under current law, an amount equal to 15 percent of General Fund appropriations must be set aside in the General Fund statutory reserve. Based on this fiscal note, the bill is expected to increase the amount of General Fund held in reserve by the amounts shown in Table 1, increasing the amount of General Fund available for other purposes.

Local Government

Local governments and special entities that participate in the outreach campaign or dissemination of outreach materials may have increased workloads and costs.

Effective Date

The bill takes effect upon signature of the Governor, or upon becoming law without his signature.

State Appropriations

For FY 2024-25, the bill requires and includes a General Fund appropriation of \$300,000 to the Healthy Forests and Vibrant Communities Fund. The Healthy Forests and Vibrant Communities Fund is continuously appropriated for use by the CSFS.
