The Power of Collaboration

*Joint Remarks to the Colorado Joint Technology Committee
Regarding Shared ERP/SIS Visioning*

February 10, 2022

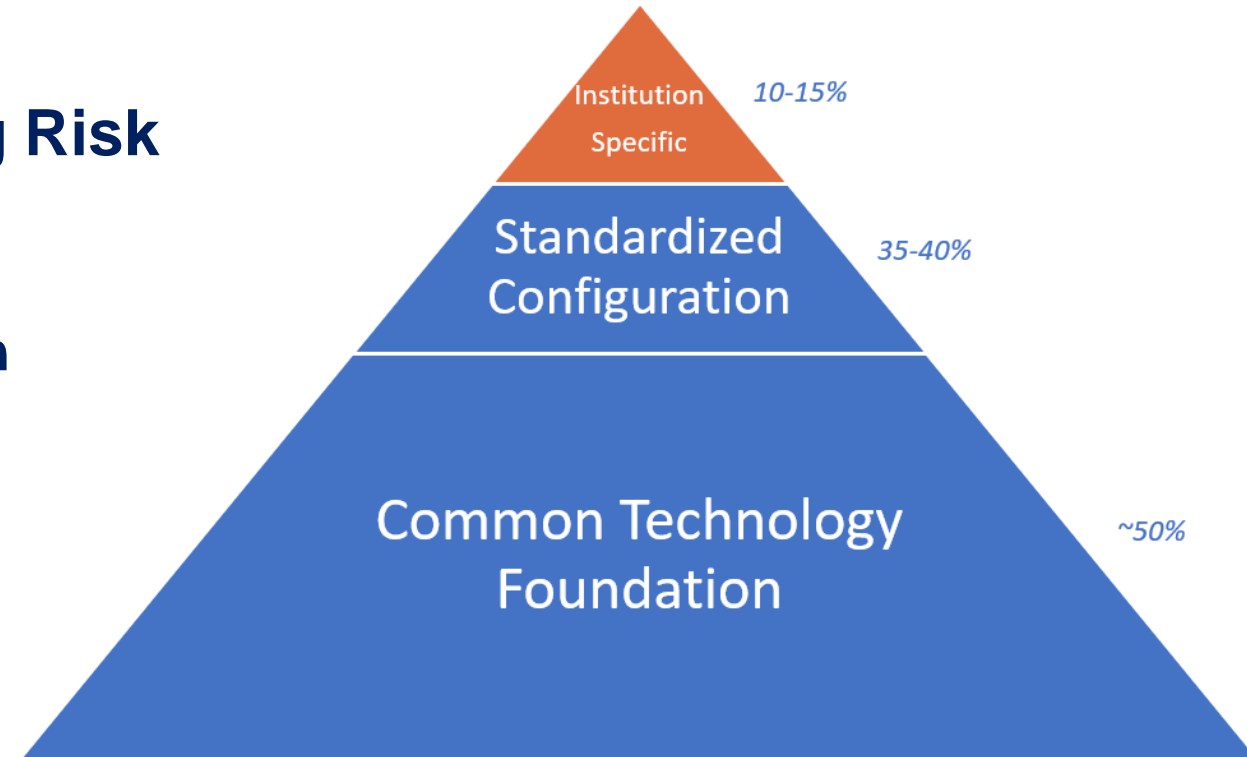

Due Diligence

- **Each institution completed an independent, third party ERP/SIS evaluation to gauge organizational posture, needs, and appetite for transformational change.**
- **RFP process received 7 responses, a thorough evaluation process resulted in award in August 2020.**

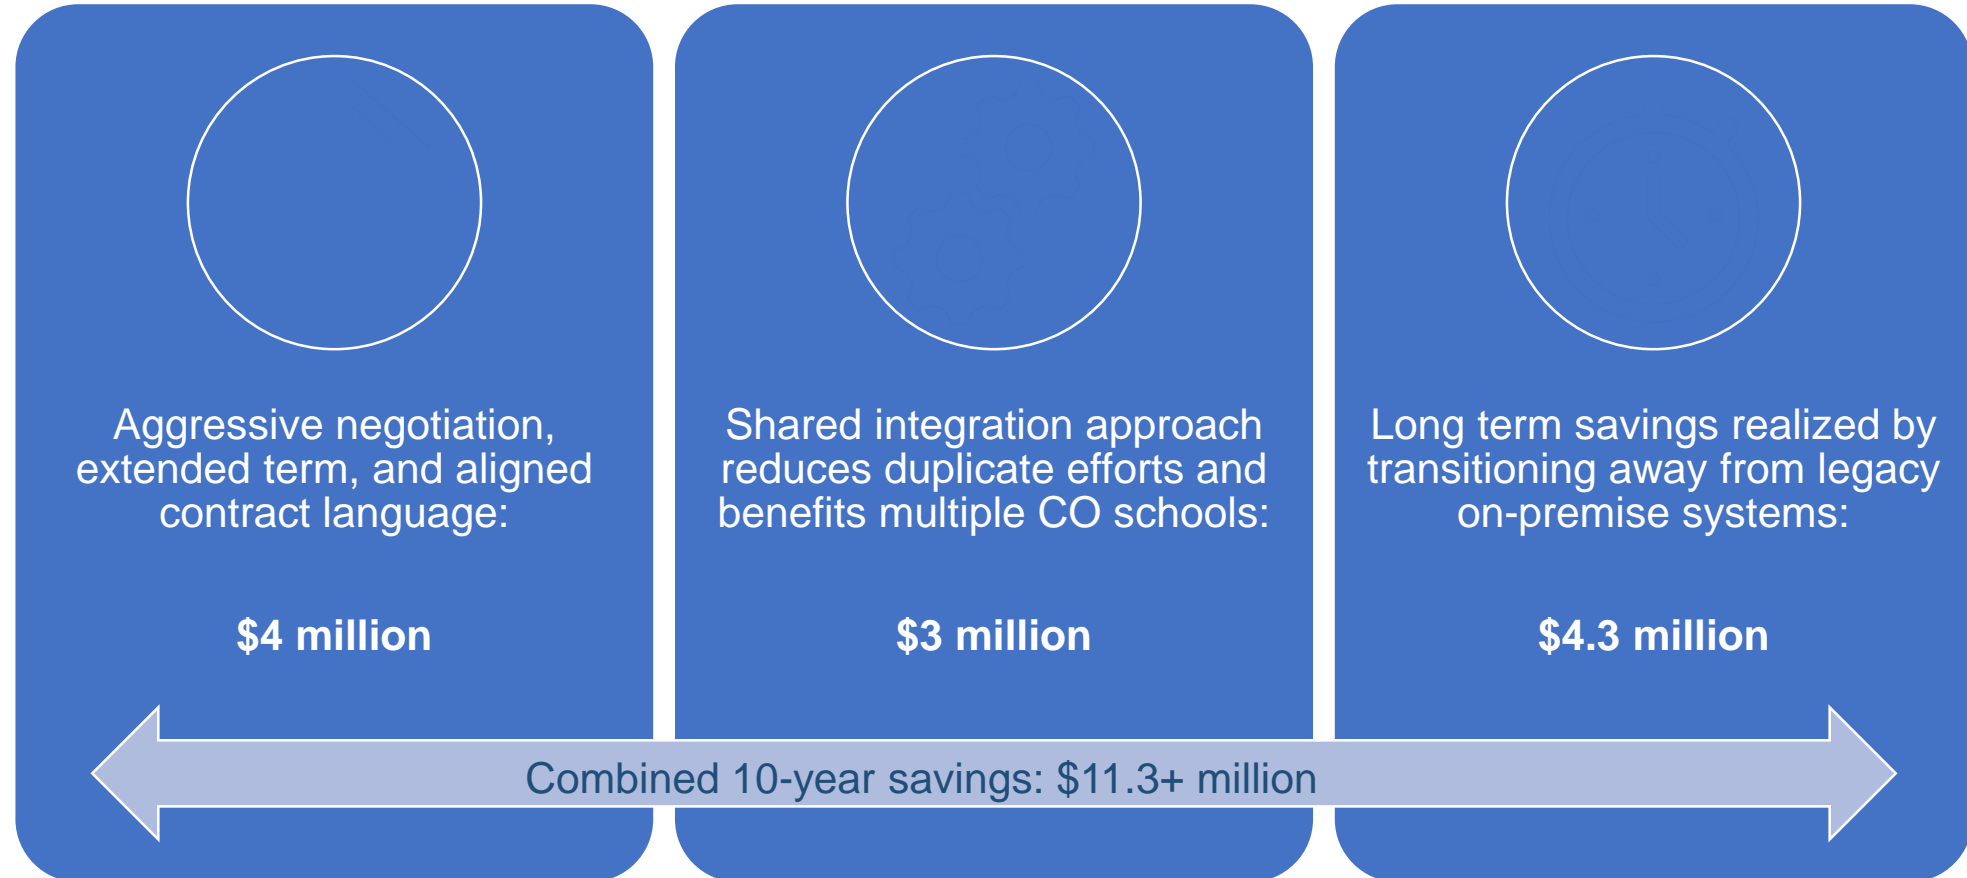

Aligned Vision, Aligned Technology

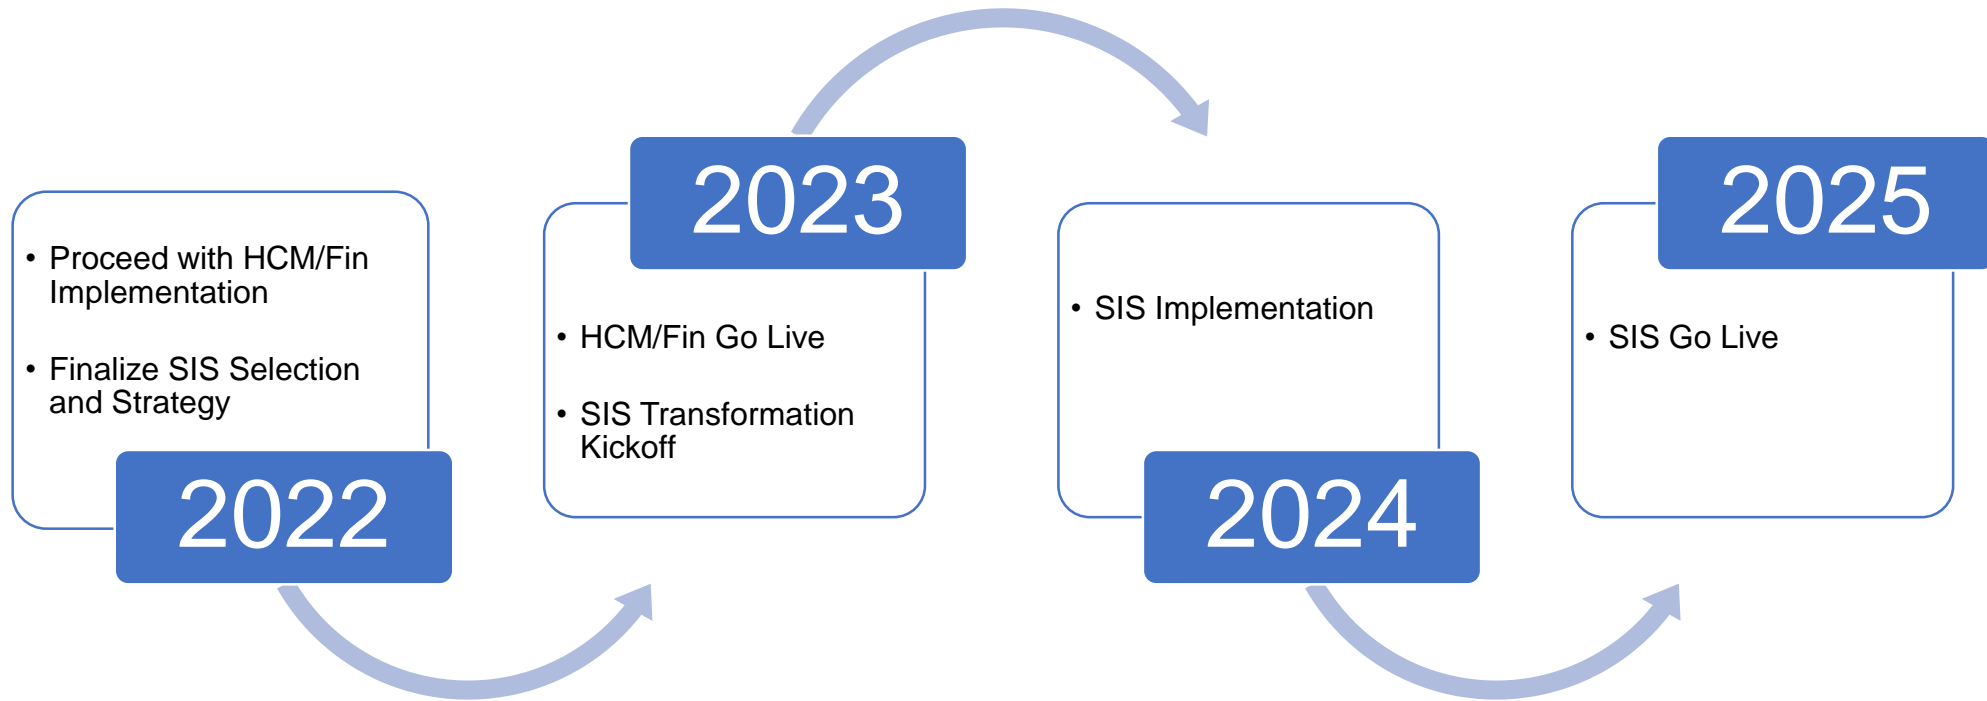

- **Maximizing Collaboration, Minimizing Risk**
 - Streamlined contracting
 - Shared implementation partner
 - Standardized processes & configuration
 - Shared integration strategy
 - Coordinated training & communication
- **Blazing a Trail for Other Schools**
 - Process and integration development
 - Lessons learned reduce cost & risk for peers
